Patient Portal Proxy Access

What is it?

Patient Portal Proxy Access

The patient portal can be used to send secure messages to your care team, receive messages from your care team, request refills on your prescriptions and view your health history online. You can also request proxy access to your patient portal for another adult so that they may also send secure messages to us on your behalf.

How do I request access for another adult?

1. Go to http://www.MyUofMHealth.org
2. Select the link: "Sign Up Online"
3. Select **"Adult Patient Granting Access to Another Adult"**.
4. Fill in and submit the form online. You will need our medical record number (MRN) to complete this form.
5. Once the form is filled out in its entirety, click "Submit"

Who do I contact if I have questions?

If you have any questions requesting proxy access please contact Health Information Management at (734) 615 – 0872 (option 1) between the hours of 7:30am and 4:00pm, Monday through Friday.
