Dr. David Miller has served as President, University of Michigan Health System and Executive Vice Dean for Clinical Affairs, University of Michigan Medical School since January 1, 2021. University of Michigan Health System is composed of C.S. Mott Children’s Hospital, the Von Voigtlander Women’s Hospital, University Hospital, Frankel Cardiovascular Center, and the University of Michigan Medical Group, including 2,000 physicians, and 140 clinics at 40 sites throughout Southeastern Michigan. In this role, Dr. Miller oversees all activities of the health system that serves patients from throughout Michigan and around the world.

Dr. Miller served as Chief Clinical Officer for University Hospital and the Frankel Cardiovascular Center from 2018-2020. Working in partnership with the Chief Operating Officer and Chief Nursing Officer, Dr. Miller provided clinical operational leadership to ensure quality and safety in clinical programs and patient care, improve patient experience, enhance staff engagement, and optimize capacity management within the two adult hospitals.

Dr. Miller is a Professor in the Department of Urology and maintains a clinical practice that focuses on the diagnosis and management of patients with prostate cancer.

In addition to his clinical practice, Dr. Miller served as Director of the Michigan Urological Surgery Improvement Collaborative (MUSIC) 2011 through 2020. Funded by Blue Cross Blue Shield of Michigan (BCBSM), MUSIC is a consortium of more than 40 urology practices aiming to improve the quality and cost-efficiency of urological care in the state of Michigan.

Dr. Miller also has a broad background in health services research, including substantial experience using claims data and formal training in the advanced statistical methods used in observational data analyses. With prior funding from the Agency for Healthcare Research & Quality and the National Cancer Institute, Dr. Miller’s empirical research agenda focused on comparative effectiveness research, physician-led collaborative quality improvement, and understanding the relationship between physician organizations, integrated.
Matthew C. Comstock, M.B.A., M.H.S.A.
Executive Director for Administration
Chief Operating Officer, University of Michigan Medical School

Matthew C. Comstock, M.B.A., M.H.S.A., serves as the executive director for administration and chief operating officer in the Medical School. He is responsible for planning, organizing, evaluating and monitoring administrative and financial functions to ensure that the academic and administrative needs of the Medical School are addressed. This includes implementing the strategic direction and ensuring the appropriate resources and support are made available to carry out the school’s tripartite mission. He earned both his B.B.A. and M.B.A., with high distinction, from the UM Stephen M. Ross School of Business, and his Master of Health Service Administration from the U-M School of Public Health (SPH).

Mr. Comstock is responsible for overseeing the school’s $1.4 billion all-funds total financial budget, financial planning and analysis, and capital planning. He is the point of contact in the Dean’s Office for all department, center and institute administrators. He serves on multiple leadership committees, including the dean’s cabinet and FGP board of directors, and chairs the school’s senior administrative staff groups. Prior to his current role, he served in multiple finance and strategic roles within the U-M Health System, including most recently as the Medical School’s senior finance executive. He began his University career in 2000 at the Center for Health Care Economics at the Ross School of Business. He also is a lecturer in the SPH Health Management and Policy Department.

T. Anthony Denton, J.D., M.H.A.
Senior Vice President and Chief Operating Officer, Clinical Enterprise

T. Anthony Denton joined the University of Michigan in 1981 as an administrative fellow in Academic Health Center Administration. His career evolved, including Human Resources with an emphasis on labor relations, compensation and workforce planning strategies. Tony participated on the start-up team for MCare HMO during the mid-1980s, serving as manager of Corporate Affairs and Member Services.

Tony transitioned to Hospital Administration in the early 1990s. Tony was appointed as Chief Operating Officer in 2004 for the Hospitals and Health Centers. From June 2014 through December 2015, Tony served as Acting Chief Executive Officer and Chief Operating Officer of the University of Michigan Hospitals and Health Centers. Effective
January 1, 2016, Tony is now Senior Vice-President and Chief Operating Officer of the UM Hospitals, Health Centers and Medical Group.

Tony has served and continues as an active member on multiple senior leadership committees in the Health System. He was chairman of the board of the Michigan Visiting Nurse Corp. from 1997-2003. Tony has been active on state and national boards, including a five-year term as Commissioner on the Board of the Joint Commission. Tony is currently a Trustee on the Michigan Health & Hospital Association Board of Trustees.

Tony has served on several community boards and councils, including the local Red Cross Board of Directors, and is presently a Co-Chair of the University of Michigan’s United Way Campaign (2014-16). Tony has served as corporate chair for the area American Heart Association heart walks, and has been a county area chairman for the Juvenile Diabetes Research Foundation. Tony is also an advocate for "The Education Project for Homeless Youth" and Food Gatherers.

Tony obtained his bachelor’s degree from Northwestern University in 1979. He obtained his master’s degree in Health Services Administration from U of M Health in 1981, followed by a law degree from the University Of Detroit Mercy School Of Law in 1987.

Daryl K. McDaniel, M.B.A.
Chief of Staff for Clinical Affairs

Daryl K. McDaniel, M.B.A., serves as the chief of staff for the clinical enterprise at the University of Michigan. In this role, he directs the administrative, financial and operational activities of the U-M Health System (UMHS) Office of the President and serves as an advisor to the president. He also provides leadership for the business activities and strategic initiatives of the clinical enterprise, including collaborating with the clinical leadership team to implement the strategic direction. He is the point of contact in the UMHS Office of the President for all clinical corporate office administrative functions and serves on multiple leadership committees.

Since he joined U-M in 2003, McDaniel has served in multiple administrative and strategic positions. Prior to joining the UMHS Office of the President, he was the chief department administrator for the U-M Medical School Department of Learning Health Sciences. Before that, he served as administrator for the UMHS Blood & Marrow Transplantation (BMT) program, research administrator for the BMT-Pediatrics program, and assistant director for academic affairs at the School of Public Health Dean’s Office.

McDaniel earned both his B.M.A. and M.B.A. degrees from the University of Michigan.
