734-615-2765.

The Accreditation Council for Continuing Medical  
Education requires that the planners and presenters  
of continuing medical education activities disclose  
financial relationships with commercial companies  
whose products or services are discussed in  
educational presentations.

The planner/speaker for this presentation has no  
financial relationships with companies whose  
products are addressed in their  
planning/presentations.

Wendy R. Uhlmann, MS, CGC
