

J. SCOTT ROBERTS

Curriculum Vitae
March 2008

PERSONAL INFORMATION

Title: Assistant Professor, Health Behavior & Health Education
University of Michigan School of Public Health

Work Address: 109 S. Observatory, Room 3854
Ann Arbor, MI 48109

Work Phone: (734) 936-9854
Work Fax: (734) 763-7379
Electronic Mail: jscottr@umich.edu
Webpage: <http://www.sph.umich.edu/iscr/faculty/profile.cfm?username=jscottr>
Home Address: 244 Crest Avenue
Ann Arbor, MI 48103

Home Phone: (734) 926-0095
Mobile Phone: (734) 709-6346

EDUCATION

1999 University of Michigan, Ph.D. in Clinical Psychology

1996 University of Michigan, M.A. in Clinical Psychology

1992 Duke University, B.A. in English with Honors

1990 Duke in Oxford Program, Oxford University, England

POSTDOCTORAL TRAINING

2000-2001 Clinical Fellow in Geropsychology in the Department of Psychiatry, Harvard Medical School, Brockton (MA) VA Medical Center

1999-2000 Research Fellow, Serious Mental Illness Treatment Research & Evaluation Center, Ann Arbor VA Health Services Research & Development Center of Excellence

POSITIONS AND EMPLOYMENT

2006-present Assistant Professor, Department of Health Behavior & Health Education, University of Michigan School of Public Health

2005-06 Co-Director, Education Core, Boston University Alzheimer's Disease Center

2003-06 Assistant Professor, Department of Neurology, Boston University School of Medicine

- 2005 Lecturer, University of Massachusetts-Boston Department of Gerontology
- 2001-2003 Instructor, Department of Neurology, Boston University School of Medicine
- 1999-2000 Postdoctoral Psychology Fellow, Ann Arbor (MI) VA Medical Center
- 1998-99 Limited License Psychologist, St. Joseph's Mercy Hospital, Ann Arbor, MI
- 1996-97 Psychology Intern, Durham (NC) VA Medical Center
- 1993-95 Graduate Student Instructor, Department of Psychology, University of Michigan

HONORS AND AWARDS

- 2004 Fellow, RAND-Hartford Interdisciplinary Geriatric Health Care Research Center
Career Development Institute
- 2002 Fellow, National Institute on Aging Summer Research Institute
- 2001-02 Brookdale National Fellowship Program Nominee, Boston University School of
Medicine
- 2000 Fellow, Summer Research Institute, American Association for Geriatric
Psychiatry/National Institute of Mental Health
- 1998-99 Blue Cross and Blue Shield of Michigan Foundation Student Award
- 1998 University of Michigan Horace P. Rackham School of Graduate Studies
Dissertation Fellowship
- 1998 University of Michigan Psychology Department Dissertation Fellowship
- 1997-98 Ann Arbor VA Medical Center Department of Health Services Research and
Development Predoctoral Fellowship
- 1988-92 Dean's List, Duke University

FUNDED RESEARCH PROJECTS

- 2008-present National Alzheimer's Association
Investigator-Initiated Research Grants Program
Title: *Communicating Diagnostic and Risk Information in Mild Cognitive Impairment*
Funding: \$240,000/3 years
Role: Principal Investigator
- 2008-present University of Michigan Ethics in Public Life Initiative
University of Michigan Comprehensive Cancer Center (co-sponsors)
Research Grants Program
Title: *Returning Individual Genetic Test Results to Research Participants in the Genetics, Environment and Melanoma Study*
Funding: \$27,724/1 year
Role: Principal Investigator
- 2007-present University of Michigan Center for Health Communications Research (National Cancer Institute)
Developmental Project Award
Title: *Development of an Interactive Website to Provide Tailored Education and Risk Communication to Women at High Risk of Breast Cancer*
Funding: \$50,000/1 year
Role: Principal Investigator
- 2006-present National Institute on Aging
R03 Award, Ethical, Legal, & Social Issues Grants Program
Title: *Disclosure of Genetic Risk for Alzheimer's Disease*
Funding: \$81,962/2 years
Role: Principal Investigator
- 2001-present National Human Genome Research Institute
R01 Award, Ethical, Legal, & Social Issues Grants Program (R. C. Green, PI)
Title: *Risk Evaluation and Education for Alzheimer's Disease*
Funding: \$300,000/3 years (Michigan site)
Role: Co-Principal Investigator; Site PI
- 2005-06 National Institute on Aging
Boston University Alzheimer's Disease Core Center P30 grant (N. Kowall, PI)
Title: *Education and Information Transfer Core*
Role: Core Co-Director
- 2003-05 Charles Farnsworth Trust, Boston Medical Foundation
Elder Health Care Research Award
Title: *Evaluation of an Education and Support Program for Early-Stage Patients with Alzheimer's Disease and Their Care-Partners*
Funding: \$80,000/2 years

Role: Principal Investigator

- 2003-05 National Human Genome Research Institute
 Research Supplement for Underrepresented Minorities (D. Akinleye, fellow)
 Title: *Risk Evaluation and Education for Alzheimer's Disease*
 Role: Co-Investigator/Mentor
- 2002-04 Alzheimer's Association New Investigator Research Grant
 Title: *Differences in Illness Perceptions among African American and White Caregivers and Relatives of People with Alzheimer's Disease*
 Funding: \$100,000/2 years
 Role: Principal Investigator
- 2001-02 Boston University Alzheimer's Disease Center Pilot Grant Award
 Title: *Perceptions of Alzheimer's Disease and Emerging Care Options*
 Funding: \$30,000/1 year
 Role: Principal Investigator
- 1998 University of Michigan Center for Applied Cognitive Research on Aging
 Seed Grant
 Title: *Attitudes toward Predictive Genetic Testing for Alzheimer's Disease*
 Role: Principal Investigator
- 1994-95 University of Michigan Psychology Department
 Summer Research Partnership Award
 Title: *The Psychology of Upward Social Mobility*
 Role: Principal Investigator

MANUSCRIPTS IN SUBMISSION

Roberts, J. S., & Silverio, E. Evaluation of an education and support program for early-stage Alzheimer's disease. Submitted to *Journal of Applied Gerontology*.

Cassidy, M., **Roberts, J. S.,** Bird, T. D., Steinbart, E., Linnenbringer, E., Cupples, L. A., & Green, R. C. Comparing test-specific distress of susceptibility versus deterministic genetic testing for Alzheimer's disease. Submitted to *Alzheimer's and Dementia*.

Chung, W., Chen, C., Cupples, L. A., **Roberts, J. S.,** Hiraki, S., Nair, A., Green, R. C., & Stern, R. A. A new scale measuring psychological impact of genetic susceptibility testing for Alzheimer disease. Submitted to *Alzheimer Disease & Associated Disorders*.

Green, R. C., **Roberts, J. S.,** et al. A randomized trial of APOE disclosure for risk of Alzheimer's disease: The REVEAL Study. Submitted to *JAMA*.

THESES

1999 Medical decision-making in individuals at-risk for Alzheimer's disease: The case of predictive testing. Unpublished doctoral dissertation, University of Michigan. Chair: Christopher Peterson, Ph.D.

1996 On the psychology of upward social mobility: A multiple-case study of first-generation college students. Unpublished master's thesis, University of Michigan. Advisor: George Rosenwald, Ph.D.

CONFERENCE PRESENTATIONS

Roberts, J. S., et al. (2007, November). Age group differences in response to genetic risk assessment for Alzheimer's disease. Annual meeting of the Gerontological Society of America, San Francisco.

Roberts, J. S., & Silverio, E. (2006, September). An education and support program for early stage Alzheimer's disease. 14th annual Alzheimer's Association Dementia Care Conference, Atlanta.

Roberts, J. S. et al. (2006, July). Age group differences in response to genetic risk assessment for Alzheimer's disease. 10th annual International Conference on Alzheimer's Disease and Related Disorders, Madrid, Spain

Roberts, J. S., & Green, R. C. (2005, November). Genetic research in dementia: Risk evaluation and education for Alzheimer's disease. Annual meeting of the Gerontological Society of America, Orlando.

Connell, C. M., **Roberts, J. S.,** & McLaughlin, S. J. (2005, November). Public knowledge about Alzheimer's disease and attitudes toward risk reduction: Results from a national survey. Presented at the annual meeting of the Gerontological Society of America, Orlando.

Hurley, A., & **Roberts, J. S.** (2005, November). Developing and sustaining interdisciplinary and international partnerships: Lessons learned from the REVEAL project. Presented at the annual meeting of the Gerontological Society of America, Orlando.

Roberts, J. S., & Silverio, E. (2005, July). Education and support in Alzheimer's early stages. 13th annual Alzheimer's Association Dementia Care Conference, Chicago.

Roberts, J. S., Akinleye, D., Hipps, Y. G., & Green, R. C. (2005, June). Beliefs about prevention and treatment of Alzheimer's disease among African Americans. Alzheimer's Association International Conference on Prevention of Dementia, Washington DC.

Roberts, J. S. (2005, March). Genetic risk assessment for adult children of people with Alzheimer's disease. "Children of Alzheimer's Parents" workshop, annual meeting of the American Association for Geriatric Psychiatry, San Diego.

Roberts, J. S., Lock, M., Prest, J., Barber, M., Whitehouse, P., LaRusse, S., Relkin, N., Brown, T., & Green, R. C. (2004, July). How does genetic testing affect anxiety about developing Alzheimer's disease? 9th International Conference on Alzheimer's Disease and Related Disorders, Philadelphia, PA.

Roberts, J.S., Akinleye, D., & Hipps, Y. G. (2004, July). Cultural differences in perceptions of Alzheimer's disease. Alzheimer's Association 12th National Alzheimer's Disease Education Conference, Philadelphia, PA.

Roberts, J.S., Silverio, E., & Kurra, C. (2004, July). Evaluation of an education and support program for early-stage patients with Alzheimer's disease and their care-partners. Alzheimer's Association 12th National Alzheimer's Disease Education Conference, Philadelphia, PA.

Roberts, J. S., Zick, C. Mathews, C., & Green, R. C. (2004, April). Genetic testing for Alzheimer's disease and its impact on insurance behavior. Annual meeting of the American Academy of Neurology, San Francisco, CA.

Connell, C. M., **Roberts, J. S.**, Janevic, M. R., & Shaw, B. A. (2003, November). Racial differences in knowledge and attitudes about Alzheimer's disease: Implications for educational interventions. Annual meeting of the Gerontological Society of America, San Diego, California.

Roberts, J.S., Green, R. C., Relkin, N., Whitehouse, P., Brown, T., Barber, M., LaRusse, S., Katzen, H., Post, S., Sadovnick, D., Quaid, K. (2003, April). How do participants rate the impact of genetic susceptibility testing for Alzheimer's disease?. Annual meeting of the American Academy of Neurology, Honolulu, Hawaii.

Brown, T., **Roberts, J. S.**, LaRusse, S., Barber, M., Relkin, N., Whitehouse, P., Post, S., Sadovnick, D., Ravdin, L., Quaid, K., & Green, R. C. (2002, November). Impact of genetic risk assessment for Alzheimer's disease. Annual meeting of the National Society of Genetic Counselors, Phoenix, Arizona.

LaRusse, S., Katzen, H., **Roberts, J. S.**, Barber, M., Brown, T., Whitehouse, P., Green, R., L Ravdin, L., Cupples, A., & Relkin, N. (2002, November). Genetic test results alter perception of risk of Alzheimer's disease: Preliminary results of the REVEAL Study. Annual meeting of the National Society of Genetic Counselors, Phoenix, Arizona.

Roberts, J. S., Green, R. C., Relkin, N., Whitehouse, P., Brown, T., Barber, M., LaRusse, S., Post, S., Sadovnick, D., & Ravdin, L. (2002, July). Genetic susceptibility testing for adult children of patients with Alzheimer's disease: Participants' self-reports on the impact of risk assessment. 8th International Conference on Alzheimer's Disease and Related Disorders, Stockholm, Sweden.

Green, R. C., **Roberts, J. S.**, Brown, T. C., Whitehouse, P. J., Barber, M., Relkin, N. R., LaRusse, S., Sadovnick, A. D., & Farrer, L. A. (2002, July). How many adult children of patients with Alzheimer's disease will choose genetic susceptibility testing with APOE genotyping? 8th International Conference on Alzheimer's Disease and Related Disorders, Stockholm, Sweden.

LaRusse, S., Katzen, H., Brown, T., Barber, M., Whitehouse, P. J., Green, R. C., Ravdin, L., **Roberts J. S.**, Cupples, L. A., & Relkin, N. R. (2002, July). Participant recall of their own apolipoprotein E (APOE) genotype and risk estimate after six weeks: Results from the REVEAL Study. 8th International Conference on Alzheimer's Disease and Related Disorders, Stockholm, Sweden.

Hipps, Y., **Roberts, J. S.**, & Green, R. C. (2002, May). African Americans and Whites differ in their interest in predictive testing for Alzheimer's disease. Annual meeting of the American Geriatrics Society, Washington, DC.

Roberts, J. S., Relkin, N., Whitehouse, P. J., Brown, T. C., Barber, M., LaRusse, S., & Green, R. C. (2002, April). Reasons for pursuing genetic susceptibility testing for Alzheimer's disease: Preliminary findings from the REVEAL Study. Annual meeting of the American Academy of Neurology, Denver, Colorado.

Green R. C., Relkin, N. R., Whitehouse, P. J., Brown, T. C., LaRusse, S., Barber, M., & **Roberts, J. S.** (2002, April). Among adult offspring of persons with Alzheimer's disease, who will elect to pursue risk assessment and APOE disclosure? Annual meeting of the American Academy of Neurology, Denver, Colorado.

Sadovnick, A. D., Relkin, N. R., Whitehouse, P. J., Farrer, L. A., Cupples, L. A., Post, S. G., Brown, T. C., LaRusse, S., Barber, M., Quaid, K., **Roberts, J. S.**, & Green, R. C., (2002, April). REVEAL (Risk Evaluation and Education for Alzheimer's disease): Preliminary results. 7th International Human Genome Meeting, Shanghai, China.

Roberts, J. S., Kales, H. C., Blow, F. C., Connell, C. M., Visnic, S., & Mellow, A. M. (2001, February). Differences in psychological symptoms and caregiver burden among caregivers of older patients with depression, dementia, or coexisting dementia and depression. Annual meeting of the American Association for Geriatric Psychiatry, San Francisco, CA.

Roberts, J. S., Booth, B. M., Blow, F. C., & Bingham, R. C. (2000, November). Age group and psychiatric comorbidity as predictors of health-related quality of life: A 12-month study of medically hospitalized male veterans. Annual meeting of the Gerontological Society of America, Washington, DC.

Roberts, J. S. (1999, November). Anticipating response to predictive genetic testing for Alzheimer's disease. Annual meeting of the Gerontological Society of America, San Francisco, CA.

Roberts, J. S., Welsh-Bohmer, K. A., & Simons, M. I. (1998, August). Psychological issues in predictive testing for Alzheimer's disease. Annual meeting of the American Psychological Association, San Francisco, CA.

INVITED PRESENTATIONS

- 2008 Developing and evaluating genetic risk assessment programs. University of Michigan Medical School, Robert Wood Johnson Clinical Scholars Program.
- 2008 Understanding the process and impact of genetic susceptibility testing for common, complex conditions. Michigan Cancer Genetic Alliance membership meeting.
- 2008 Understanding the process and impact of genetic susceptibility testing for Alzheimer's disease. University of Michigan Medical School, Genetic Counseling Program research seminar.
- 2007 Understanding the process and impact of genetic susceptibility testing for Alzheimer's disease. University of Michigan Medical School, Geriatric Medicine Clinical Conference.
- 2007 Understanding the psychological and behavioral impact of genetic susceptibility testing for Alzheimer's disease. University of Michigan Medical School, Department of Human Genetics seminar series.
- 2006-07 Mental health and aging. Guest lecture, "Mental Health Policy in the United States" graduate level course, University of Michigan School of Public Health.
- 2007 Examining the process and impact of genetic susceptibility testing. University of Michigan Comprehensive Cancer Center Quality of Life Workgroup lecture series.

- 2007 Genetic testing for people at-risk for Alzheimer’s disease: Findings from the REVEAL Study. Michigan Dementia Coalition, Howell, MI.
- 2007 Genetic susceptibility testing for adult-onset disorders. University of Michigan Center for Health Communication Research lecture series.
- 2006 Ethical issues in genetic testing. University of Michigan School of Medicine Bioethics Program lecture series.
- 2006 Genetic risk assessment for Alzheimer’s disease. University of Michigan Health & Retirement Study lecture series.
- 2006 Genetic research in Alzheimer’s disease: Implications for clinical practice. West Suburban Area Boston Alzheimer’s Partnership lecture series.
- 2005 Genetic susceptibility testing for Alzheimer’s disease. Guest lecture, “Genetics, Law, and Public Health” graduate level course, Boston University School of Public Health
- 2005 Cultural differences in perceptions of dementia. Boston University Alzheimer’s Disease Center Research Seminar Series.
- 2005 Psychological issues in genetic testing. NIA-funded “Aging, Genetic Technology, and the Future” conference, Boston College.
- 2005 Racial and ethnic differences in perceptions of dementia. Psychiatry Grand Rounds lecture series, Bedford (MA) VA Medical Center.
- 2004 Genetic risk assessment for individuals at risk for Alzheimer’s disease. Psychology Lecture Series, Brockton VA Medical Center, Brockton, MA.
- 2004 Genetic risk assessment for Alzheimer’s disease. University of Massachusetts-Boston Gerontology Institute speaker series.
- 2003 The REVEAL Study: Genetic testing for sporadic Alzheimer’s disease. 3rd Genetics Update Workshop, Genetics Program for Nursing Faculty, Cincinnati Children’s Hospital Medical Center.
- 2003 Genetic risk assessment for Alzheimer’s disease. Alzheimer’s Association Western Massachusetts Chapter annual Regional Professional Conference.
- 2002 Research update: 8th International Conference on Alzheimer’s Disease and Related Disorders. Boston University Alzheimer’s Disease Center Research Seminar series.

- 2002 Psychological research and Alzheimer's disease: An overview and recent trends. Geropsychology Lecture Series, Brockton VA Medical Center, Brockton, MA.
- 2001 Early detection and understanding of Alzheimer's disease. Boston University Gerontology Center's annual Summer Institute.
- 2001 Working with patients with personality disorders in the nursing home. Brockton VA Medical Center Nursing Home Care Unit, Brockton, MA.
- 2000 Caring for a loved one with memory problems. Senior Interest Lecture Series, Brockton VA Medical Center, Brockton, MA.
- 2000 First-degree relatives' attitudes and beliefs about Alzheimer disease and genetic testing. Boston University Alzheimer's Disease Center Research Seminar series.
- 1999 Addiction, identity, and the life story. Guest lecture, University of Michigan undergraduate psychology seminar on substance abuse research, Ann Arbor, MI.
- 1998 Predictive testing for Alzheimer's disease: A psychological study of decision-making for at-risk individuals. University of Michigan Alzheimer's Disease Research Center Clinical Core lecture series.

TEACHING & MENTORING

Courses Taught

- 2007-present Issues in public health ethics. Instructor for graduate level course (HBHE 610), University of Michigan School of Public Health, Department of Health Behavior & Health Education.
- 2006-present Genetics, health behavior, and health education. Instructor for graduate level course (HBHE 669), University of Michigan School of Public Health, Department of Health Behavior & Health Education.
- 2005 Mental health and aging. Instructor for graduate seminar in Gerontology doctoral program, University of Massachusetts-Boston.
- 1993-95 Introduction to psychopathology. Department of Psychology, University of Michigan. Graduate Student Instructor for undergraduate course (PSY 370) for five semesters.

Student Advising & Mentoring

- 2006-present Faculty Advisor, University of Michigan School of Public Health doctoral program in Health Behavior & Health Education (Erin Linnenbringer and Kurt Christensen, doctoral students)
- 2006-present Faculty Advisor, University of Michigan School of Public Health master's program in Health Behavior & Health Education (eight MPH students)

- 2006-present Independent Study Advisor, University of Michigan School of Public Health master's program in Health Behavior & Health Education (three MPH students)
- 2007-present Thesis committee member, University of Michigan Genetic Counseling Program (Katie Hock, master's student)
- 2006-07 Thesis advisor, University of Michigan Genetic Counseling Program (Karen Knutson, master's student)
- 2006-07 Dissertation committee member, University of Michigan School of Public Health doctoral program in Health Behavior & Health Education (Sara McLaughlin, doctoral student)
- 2006 Mentor, Boston University Alzheimer's Disease Center summer student internship program (Winston Chung, Boston University medical student)
- 2005 Mentor, Boston University Alzheimer's Disease Center summer student internship program (Michael Cassidy, Boston University medical student)
- 2003-05 Primary Mentor, NIH Research Supplement for Underrepresented Minorities (Dapo Akinleye, Boston University School of Public Health master's student)
- 2004 Mentor, Boston University Alzheimer's Disease Center summer student internship program (Saul Waller, Colgate University undergraduate)
- 2003-04 Master's thesis committee member for Jaza Marina, MD, Boston University School of Public Health
- 2003-04 Master's thesis committee member for Serena Chao, MD, Boston University School of Public Health
- 2003 Mentor, Boston University Alzheimer's Disease Center summer student internship program (Charles Mathews, Duke University public policy student)
- 2002 Mentor, Boston University Alzheimer's Disease Center summer student internship program (Dexter Wong, Boston University medical student)

CLINICAL EXPERIENCE

- 2006-present Licensed as clinical psychologist in state of Michigan
- 2005-2006 Student Support Counselor, Boston University School of Medicine Graduate Medical Sciences Program
- 2004-2006 Support group co-leader, Early Stage Program, Alzheimer's Association Massachusetts chapter

- 2002-2006 Licensed as clinical psychologist and health service provider in the states of Massachusetts and Rhode Island
- 2000-2001 range Geropsychology Fellowship, Brockton (MA) VA Medical Center. Provided of psychological services to older veterans seen in inpatient psychiatry, nursing home, and specialty outpatient geriatric mental health settings. Director of Training: Michele Karel, Ph.D.
- 1999-2000 Postdoctoral Training, Ann Arbor (MI) VA Medical Center (Outpatient Psychiatry). Provided psychotherapy and assessment services to veterans seen in PTSD and Outpatient Mental Health clinics. Supervisor: Richard Amdur, Ph.D.
- 1997-98 Advanced Practicum, St. Joseph's Mercy Hospital (Outpatient Mental Health), Ann Arbor, MI. Provided psychological services to children, adolescents, families, and adults in a community outpatient clinic. Supervisor: Daniel Greenberg, Ph.D.
