The purpose of this guide is to help you find information and support on mastocytosis. This guide provides links and references to reliable and current information sources for patients, families, and caregivers.

Many of the materials in this guide can be found at the Patient Education Resource Center (PERC) in the University of Michigan Comprehensive Cancer Center, Level B2.

**Brochures and Fact Sheets**

  Available online at: [http://tmsforacure.org/documents/MastocytosisExplained.pdf](http://tmsforacure.org/documents/MastocytosisExplained.pdf)

- Leukemia & Lymphoma Society. *Understanding Lab and Imaging Tests.*
  Available online at: [http://goo.gl/rDckMC](http://goo.gl/rDckMC)

**Audiovisual Resources**

- MPN Advocacy & Education International. *Interview with Dr. Marie Huong Nguyen, University of Michigan, MPC Researcher/Clinician.*
  Available at: [http://mpnadvocacy.com/2016/02/ann-brazeau-interviews-dr-nguyen](http://mpnadvocacy.com/2016/02/ann-brazeau-interviews-dr-nguyen)

- MPN Education Foundation. *MPN Video Library.*
  Available at: [http://mpninfo.org/videos](http://mpninfo.org/videos)

**Web Resources**

- **American Academy of Allergy Asthma & Immunology**
  [https://aaaai.org/conditions-and-treatments/related-conditions/systematic-mastocytosis.aspx](https://aaaai.org/conditions-and-treatments/related-conditions/systematic-mastocytosis.aspx)
  This site provides information on systemic mastocytosis, including an overview, symptoms, diagnosis, and treatment.

- **Cancer.Net: Mastocytosis** (provided by the American Society for Clinical Oncology)
  [http://cancer.net/cancer-types/mastocytosis/overview](http://cancer.net/cancer-types/mastocytosis/overview)
  This site provides an overview and other information such as statistics, symptoms, diagnosis, stages, treatment option, latest research, and coping with side effects.

- **Genetic and Rare Diseases (GARD) Information Center**
  Provides information on mastocytosis, including topics such as symptoms, tests, diagnosis, drugs, statistics, news, and research.
The Mastocytosis Society, Inc.  
http://tmsforacure.org/welcome.php  
This site provides research, education, and advocacy for patients, families, caregivers, and physicians.

National Organization for Rare Disorders (NORD)  
http://rarediseases.org/rare-diseases/mastocytosis  
This site includes information on mastocytosis as well as causes, treatment therapies, and related disorders.

Together with Systemic Mastocytosis  
http://systemicmastocytosis.com  
This site provides information on systemic mastocytosis as well as patient stories and expert views.
