About Us

Ann Arbor Meals on Wheels' purpose is to reduce hunger and food insecurity, and promote the dignity and independence of the homebound in the Ann Arbor area who are unable to shop or cook for themselves by delivering nutritiously balanced meals six days a week.

Our base of 450+ volunteers delivers the majority of these meals. For many of our clients, an Ann Arbor Meals on Wheels volunteer is the only person they see all day.

Ann Arbor Meals on Wheels is a non-profit community services program of the University of Michigan Health System. About 20% of our funding comes from donations and fund raising efforts.
