

Why I volunteer...

Seeing the smiles.

I rejoice; I have inner peace when I do this!!

It's the right thing to do. Besides – it's fun.

Because my wife told me to.

It's fun and the clients are dear!

Helping others maintain their independence as long as possible!

There's a need that even I can fill!

Be productive.

I contribute to someone else's needs, which ultimately fulfills one of my own.

The clients.

The coffee.

I like to help people who need it.

The way I feel when I'm helping others!

It's the right thing to do.

I enjoy the other volunteers!

My parents received meals at home before they died and they were really helped by this service.

Enjoy helping others!

It's service to others.

Spread God's love and care to others!

It's such a rewarding experience and I know I'm making a difference in someone's life.

To provide help to those in need.
