<http://hr.umich.edu/mhealthy/programs/tobacco/> or call (734) 998-6222 or email quitsmoking@med.umich.edu

Brochures, Fact sheets

- Krames Communications. **Understanding Heart Valve Disease.**
- Medtronic. **CoreValve: Transcatheter Aortic Valve Replacement (TAVR) Platform**
http://www.corevalve.com/wcm/groups/mdtcom_sg/@mdt/@cardio/documents/documents/corevalve_patient_booklet.pdf

Audiovisual Resources

- HeartValveSurgery.com
<http://www.heart-valve-surgery.com/videos/tavi.php>
Videos include general information on TAVR, Surgeon Q & A, technology updates and patient success stories.
- NewHeartValve.com
<https://www.newheartvalve.com/watch-tavr-patient-video-stories>
This site has videos on TAVR basics as well as procedure and patient videos.
- University of Michigan. **Introduction to TAVR at the University of Michigan.**
Informational video at:
<https://www.youtube.com/watch?v=IK8W4CN1Q8Q&feature=youtu.be>

Web Resources

- **American Heart Association: What is TAVR?**
http://www.heart.org/HEARTORG/Conditions/More/HeartValveProblemsandDisease/What-is-TAVR_UCM_450827_Article.jsp
Includes information on TAVR as well as an Interactive Treatment Explorer tool.

INFORMATION GUIDE

- **HeartValveSurgery.com**
<http://www.heart-valve-surgery.com/>
This site is provided by author and patient, Adam Pick. The site has information on heart valve disease and TAVR as well as an online community for patients and caregivers to connect.
- **National Heart, Lung, and Blood Institute (NHLBI): What is Heart Valve Disease**
<https://www.nhlbi.nih.gov/health/health-topics/topics/hvd/>
Explains risk factors, signs and symptoms, diagnosis, and treatment of heart valve disease.
- **NewHeartValve.com: What is TAVR?** by Edwards Lifesciences
<https://newheartvalve.com/about-tavr/>
A patient information resource all about heart valve disease.
- **UpToDate: Patient Information**
<http://www.patients.uptodate.com/>
→ Type "TAVR" in the "Search Patient Content" box
This detailed, comprehensive overview is based on professional literature reviews written for physicians and updated regularly. The overview is very detailed and includes some medical terminology. It is suitable for readers seeking to gain in-depth understanding of aortic stenosis.

Patient Support Organizations

- **American Heart Association**
<http://www.heart.org/>
1-800-242-8721
- **HeartValveSurgery.com Community**
<http://www.heart-valve-surgery.com/journals/>
Connect with patients and caregivers in an online community.

This document contains information and/or instructional materials developed by the University of Michigan Health System (UMHS) for the typical patient with your condition. It may include links to online content that was not created by UMHS and for which UMHS does not assume responsibility. It does not replace medical advice from your health care provider because your experience may differ from that of the typical patient. Talk to your health care provider if you have any questions about this document, your condition or your treatment plan
