The purpose of this guide is to help patients and families find sources of information and support. This list is not meant to be comprehensive, but rather to provide starting points for information seeking. The resources may be obtained at the Mardigian Wellness Resource Center located off the Atrium on Floor 2 of the Cardiovascular Center. Visit our website at http://www.umcvc.org/mardigian-wellness-resource-center and online Information guides at http://infoguides.med.umich.edu/home
