

Aortic Aneurysm

Other name:

- Abdominal aortic Aneurysm
- AAA
- Thoracic Aortic Aneurysm
- TAA

Last revised: February 2010

The purpose of this guide is to help patients and families find sources of information and support. This list is not meant to be comprehensive, but rather to provide starting points for information seeking. The resources may be obtained at the Wellness Resource Center, room 2101 in Cardiovascular Center.

Brochures, Fact sheets

- Society for Vascular Surgery. *Abdominal Aortic Aneurysm*.

Audiovisual Resources

- **Abdominal Aortic Aneurysm**
An interactive tutorial on MedlinePlus.gov
Access at: <http://www.medlineplus.gov>
Click on the link to Interactive Tutorials and select from the list under the heading: "Diseases and Conditions"
Slide shows with voice over and graphics explain AAA, its treatment and complications.

Web Resources

- **AAA : What is it?** On the Vascular Disease Foundation Web site
Access at: <http://www.vdf.org>, click on the link to "Disease Information" and select from the list.
A detailed overview with illustration describes abdominal aortic aneurysms including diagnosis and treatment.

- **The National Heart, Lung, and Blood Institute (NHLBI) – Section on Aneurysm**

Access at: <http://www.nhlbi.nih.gov/>

Click on “A-Z Diseases and Conditions Index” and select “Aneurysm” from the list

This section provides an easy-to-read overview of aneurysm, causes, symptoms, diagnosis and treatment.

- **Society of Interventional Radiology**
