  → Select “Heart Failure” from the list
Provided by the American College of Cardiology this site has detailed
overviews of heart failure and treatments including treatment guidelines and
downloadable Management Workbook.

• Heart Failure.org
  http://www.heartfailure.org/
This site offers detailed illustrations and explanations of how the heart
works, what happens when it fails, and living with congestive heart failure.

• Heart Failure Society of America
  http://www.hfsa.org/
The centerpiece of this site is a series of 11 educational models covering
different topics of interest to people with heart failure and their families.
The models can be viewed online or downloaded and printed as a booklet.
The site also features a questions and answers section.

• National Heart, Lung, and Blood Institute: Heart Failure
  http://www.nhlbi.nih.gov/
  → Click on “Health Topics”
  → Click on “H”
  → Click on “Heart Failure”
Includes basic information on what heart failure is, including causes, risk
factors, symptoms, diagnosis, and treatment.

• UpToDate - Patient information: Heart failure
  http://www.patients.uptodate.com/
  → In the search box type in “Heart Failure”
These detailed, comprehensive overviews are based on professional
literature reviews written for physicians. The overviews include some
medical terminology. They are suitable for readers seeking to gain in-depth
understanding of coronary heart disease.
Michigan Medicine Resources

- **Michigan Medicine Frankel Cardiovascular Center Heart Failure Program**
  

  This program offers team-based care for heart failure from all causes and in all stages, including:
  
  o Consultation with cardiologists specializing in heart failure care
  
  o Heart failure patient management by cardiologists working with a nationally recognized nurse telemanagement program
  
  o Cardiac surgeons with expertise in surgical treatments for heart failure, including valve surgery, coronary bypass, left ventricular myoplasty, mechanic assist devices and heart transplantation.
  
  o Post heart transplantation patient care

- **Michigan Medicine Frankel Cardiovascular Center Heart Failure Program App**
  
  Get help managing your heart failure right at your fingertips! Turn your smartphone into your own personal health monitor. This APP is full of helpful information, videos and educational materials designed to help patients’ manage their heart failure, decrease symptoms and prevent admission to the hospital.
