UMHS pharmacists honored with Innovative Practice Award

Geriatrics Center faculty member Tami Remington, Pharm.D., was among the UMHS pharmacists honored with an Innovative Practice Award by The Michigan Pharmacists Association. Dr. Remington was part of a team of UMHS ambulatory group pharmacists recognized for their work on the U-M Patient Centered Medical Home Team. The award is presented to an individual or team who has demonstrated an innovative pharmacy practice program, resulting in improved patient care or safety, advancement of the profession, enhanced pharmacy systems or other professional development. The pharmacists provide poly-pharmacy consults and chronic care management services as part of the team-based care in the Patient Centered Medical Home.
