Meet Silver Club’s New Director, Shannon Etcheverry, L.M.S.W.

We are excited to introduce Shannon Etcheverry, LMSW, as the new Director of Silver Club Programs at the Geriatrics Center. Shannon started in her new position on March 12, 2018.

Shannon graduated with her BSW from Michigan State University in 2008, and with her MSW from the University of Michigan in 2009. She completed her graduate student internship at Community Care Services in Belleville, MI. Shannon spent the last 8 years in Houston, TX, where she worked primarily at the Harris Center as a clinician conducting diagnostic and psychosocial assessments and ongoing case management services to adults, families and older adults with mental health needs. She became a team leader and supervisor providing leadership to both clinical and non-clinical staff. Recently, she was promoted to program manager at the Harris Center, New START program, focusing on policy development, programmatic management, and quality improvement. Shannon has been described by her supervisors and colleagues as an excellent communicator, who is supportive of her team and is consistently “willing to do what it takes for her clients and staff”.

Welcome, Shannon!

Welcome to the Silver Club gardening club! With Spring in the air, there is so much to be excited about. Last year, the Silver Club program planted a beautiful vegetable garden in our raised beds. We had tomatoes, zucchini, peppers, cucumbers, and a fresh herb garden. We are excited and looking forward to having another beautiful vegetable and herb garden this Spring and Summer!

In April, the life skills gardening club will put fresh soil in the garden and pull out the dead weeds while giving the soil some fresh nutrition. We are looking forward to a large portion of our herb garden from last year to re-germinate.

As we start to plan for our outdoor garden we will still be attentive to our indoor gardening cart. We will still have live plants that will be housed in the indoor gardening cart for the club members to maintain and enjoy throughout the summer months.

The garden club will seek donations of tomato plants, dirt, and different gardening plants from Home Depot and Lowes. We hope to share the “fruits of our labors” with all of the Silver Club members, families, and staff.

WHAT IS A LIFE WELL LIVED?

Lives Well Lived is a feature documentary film by Sky Bergman that celebrates the incredible wit and wisdom of adults 75 to 100 years old who are living their lives to the fullest. Encompassing over 3000 years of experience, forty people share their secrets and insights to living a meaningful life. Their intimate memories and inspiring personal histories will make you laugh, perhaps cry, but mostly inspire you.

As we say hello to our new Director Shannon Etchevery, we say goodbye to Kaity Sinke. Kaity was a valuable member of the Silver Club staff. She used her Master’s degree in Dance Therapy to bring new and exciting classes to our club members. From yoga, to mediation, to creative movement groups, Kaity added an element of creativity and inclusivity for our club members. We are happy to report that Kaity is excitingly preparing for her upcoming July wedding and has a new position closer to where she and her new husband will live. Congratulations Kaity!
An Opportunity to Support Silver Club

The goal at Silver Club is to always accept families in need, even if they are experiencing financial difficulties. We use a sliding-fee scale so that each family pays what it can afford. The balance comes from grants and assistance from a wide array of supporters. We are so grateful to Silver Club families and friends for their generous support of our programs in whatever way they feel comfortable.

How You Can Help:
Be an ambassador – promote the Silver Club by referring families who are caring for a person with memory loss to our programs.
Volunteer – if you have time, there are many ways to help, including spending time with members during program hours, participating on Silver Club committees, or helping with special, time-focused projects.
Make a gift – the Silver Club relies significantly on public funding and contributions. “Gifts in kind” such as artwork, books and equipment make an immediate impact. The easiest way to make a monetary gift is through our online link: https://leadersandbest.umich.edu/find/#/give/basket/fund/367384.
