Silver Club offers a range of programs for people with memory loss, from the moment of diagnosis through the moderate stage of illness. Programs are designed to help people with memory loss engage in meaningful activities, cognitive exercise, and physical stimulation, and share joys and concerns with others. Contact Silver Club Memory Programs for more info. (734) 998-3330 or email shannon.etcheverry@umich.edu.

Turner Senior Wellness Program

Rachel Dewees, LMFSW, Director, Turner Senior Wellness Program (734) 998-2653 rdewees@umich.edu

The Osher Lifelong Learning Institute at U-M is a vibrant and welcoming community of over 6000 members (aged 50+) who engage in lifelong learning. All community members are welcome. Visit olli-umich.org for more information.
