Gifts of Art coloring books for grown ups are a well loved part of its Bedside Art program, which brings specially trained artists with a variety of projects directly to patients’ bedsides. The coloring books are also a much appreciated past-time in waiting areas. For more information and coloring pages, visit: med.umich.edu/goa.

From the “I’d Rather Be...” Coloring Book

I’d rather be feeding the birds.  
Sue Holdaway-Heys
