

Study Sections & Federal Advisory Boards

Neil B. Alexander, MD

Merit Review Subcommittee, Department of Veterans Affairs Aging and Clinical Geriatrics
Extramural Repayment Program Annual Review, National Institute on Aging
Claude Pepper Center Review Committee, National Institute on Aging

Douglas A. Arenberg, MD

Research Award Study Section, American Lung Association

Peter Arvan, MD, PhD

Study Section, Molecular and Cellular Endocrinology, National Institutes of Health

James R. Baker Jr, MD

Advisory Member, United States Defense Information Agency Science and Technology Board

Advisory Member, Nanotechnology Technical Advisory Group (N-TAG), President's Council of Advisors on Science and Technology, Executive Office of the President of the United States

Advisory Board, Moffitt Cancer Center
Advisory Board, Technology Council, Center for Cancer Nanotechnology Excellence, Northwestern University

Executive Board, Great Lakes Regional Center of Excellence in Bioterrorism

Advisory Board, National Center for Design of Biomimetic Nanoconductors, Beckman Institute for Advanced Science & Technology, University of Illinois

Advisory Member, Nanoparticle Characterization Laboratories, National Institutes of Health

Laurence H. Baker, DO

Scientific Advisory Board, Cancer Research Network, Inc.

Scientific Review Board, National Gene Vector Laboratories, National Institutes of Health

James M. Beck, MD

National Heart, Lung, and Blood Institute Special Emphasis Panel, Research Projects in Longitudinal Studies of HIV

Steven J. Bernstein, MD, MPH

Grant Reviewer, Special Emphasis Panel on Evidence-Based Practice, Agency for Healthcare Research and Quality

Douglas Blayney, MD

Reviewer, Amgen Oncology Institute Fellowship Program

Suzanne Bradley, MD

VA Infectious Diseases B Merit Review Subcommittee

Dean Brenner, MD

Consultant, Food and Drug Administration, Gastroenterology and Urology Devices Advisory Panel
External Advisory Committee, University of Chicago Cancer Research Center
Peer-Review Advisory Committee, National Institutes of Health

Yuqing Eugene Chen, MD, PhD

Member, National Institutes of Health/National Heart, Lung, and Blood Institute Vascular Cellular and Molecular Biology Study Section

Daniel J. Clauw, MD

University of Michigan Representative to the National Institutes of Health/Clinical and Transitional Science Awards Consortium
Research Advisory Committee on Gulf War Veterans' Illnesses, Department of Veterans Affairs

Michael J. Coffey, MB BCh

Specialized Centers of Clinical Research in Chronic Obstructive Pulmonary Disease, National Institutes of Health

Kathleen L. Collins, MD, PhD

AIDS Immunology and Pathogenesis Study Section, National Institutes of Health
Kathleen A. Cooney, MD
NIH/NCI SPORE Review Lymphoma, Breast, Prostate, and Skin Cancers

Jeffrey Curtis, MD

Non-Clinician Eligibility Review Board, Department of Veterans Affairs Biomedical Laboratory Research and Development/Clinical Science Research and Development Services

Data Safety Monitoring Board, Specialized Centers of Clinical Research, Division of Lung Diseases, National Heart, Lung, and Blood Institute, National Institutes of Health

Scientific Advisory Committee, American Thoracic Society

Research Career Development Award Committee, Department of Veterans Affairs

Gabriela Dontu, PhD

Study Section, California Breast Cancer Research Program, Tumor Progression

Dorraya El-Ashry, PhD

Army Breast and Prostate Cancer Research Initiative Grant Review Study Sections, Department of Defense

Eric Fearon, MD, PhD

Chair, Special Emphasis Panel, National Institutes of Health

A. Mark Fendrick, MD

Grant Reviewer, National Institute of Health/National Institute of Diabetes and Digestive and Kidney Diseases, Special Emphasis Panel

Kevin R. Flaherty, MD, MS

Protocol Review Committee for the Rare Diseases Clinical Research Network, National Institutes of Health

Robert Fontana, MD

Member, Small Business: Digestive Sciences and Bioengineering

David A. Fox, MD
NIAMS Special Emphasis Panel

Study Section Co-Chair, American College of Rheumatology Research and Education Foundation RA Initiative (Within Our Reach)

Steven E. Gay, MD, MS

Voting Member, U.S. Food and Drug Administration Pulmonary-Allergy Drugs Advisory Committee

David Ginsburg, MD

Board of Scientific Counselors, National Center for Biotechnology Information, National Library of Medicine

External Advisory Board for the National Institutes of Health Specialized Center for Clinical Research Grant, "Molecular Basis of Coronary Artery Disease", Cleveland Clinic

Scientific Advisory Committee, the Virginia G. Piper Charitable Trust I

Scientific Advisory Council, Doris Duke Charitable Foundation Medical Research Program

Chair, Board of Scientific Counselors, National Center for Biotechnology Information, National Library of Medicine

Scott Gitlin, MD

Clinical Research Training Institute Study Section

Jennifer J. Griggs, MD, MPH, FACP

Chair, National Cancer Institute Scientific Review Committee, Subcommittee

Steve Gruber, MD, PhD, MPH

Epidemiology of Cancer Study Section, National Institutes of Health

Chair, Colorectal Family Registries Advisory Panel, National Cancer Institute

Jun-Lin Guan, PhD

Cell Structure and Function Study Section, National Institutes of Health

Margaret R. Gyetko, MD

Research Review Committee, American Lung Association

Jeffrey B. Halter, MD

Chair, Review Panel, National Institutes of Health P41 Resource Center Grant Application (ZRG1-SBIB-Q-40), Resource Facility for Population Kinetics

Gary D. Hammer, MD, PhD

Reproductive Biology and Medicine Site Visit Committee, National Institutes of Health/National Institute of Child Health & Human Development

Richard Harris, PhD

Career Development Award Study Section, National Institutes of Health/National Center for Complementary and Alternative Medicine

Daniel F. Hayes, MD

Cancer Biomarkers (ZRG-1CBSS), National Cancer Institute

Rodney Hayward, MD

Study Section, Department of Veterans Affairs Health Services Research Development Center Grant Review Committee

Study Section, Department of Veterans Affairs Research Enhancement Award Program

Timothy Hofer, MD, MSc

Study Section on Health Services Organization and Delivery (HSOD), Center for Scientific Review, National Institutes of Health

Joseph Holoshitz, MD

Chair, American College of Rheumatology Study Section on B-Cell Biology and Targets in Autoimmune Diseases

Within Our Reach-REF Study Section

Special Emphasis Panel on Clinical Trial Planning Grants, National Institute of Arthritis and Musculoskeletal Skin Diseases

Gary B. Huffnagle, PhD

Chair, Conflict Special Emphasis Study Section Review Committee, National Institutes of Health

Maha H.A. Hussain, MD, FACP

Chair, Oncology Drug Advisory Committee, Food and Drug Administration

Grant reviewer, Cancer Research U.K. Clinical Trials Awards and Advisory Committee

Cellular, Tissue and Gene Therapies Advisory Committee, Food and Drug Administration

Mariana J. Kaplan, MD

Reviewer, Special Emphasis Panel, Scientific Review Group 2008/01 ZARI KM-H (J1), National Institutes of Health/ National Institute of Arthritis and Musculoskeletal Skin Diseases

American College of Rheumatology Annual Meeting abstract selection committee: "SLE: human disease pathogenesis"

Steven J. Katz, MD, MPH

Study Section on Health Services Organization and Delivery (HSOD), Center for Scientific Review, National Institutes of Health

Carol A. Kauffman, MD

Anti-Infective Drugs Advisory Committee, Food and Drug Administration

Steering Committee, Trans-net Surveillance of Invasive Fungal Infections among Organ Transplant Recipients

Steering Committee, Mycoses Study Group

Department of Veterans Affairs Methicillin-Resistant Staphylococcus aureus Prevention Implementation Task Force

Daniel Kaul, MD

National Comprehensive Cancer Network, Fever and Neutropenia Panel

Eve A. Kerr, MD, MPH

Veterans Affairs Health Services Research and Development, Scientific Review and Evaluation Board, subcommittee for Career Development Award Applications

Alisa E. Koch, MD

Abbott Scholar in Rheumatology Research Review Panel

Chair, Inflammation Study Section, National Arthritis Foundation

United States Section Head for the Inflammatory Arthritis Section of the Rheumatology and Clinical Immunology Faculty

Chair, National Meeting Abstract Review Committee, RA-Human Etiology and Pathogenesis, American College of Rheumatology

Ronald J. Koenig, MD, PhD

Molecular Endocrinology Special Emphasis Panel, National Institutes of Health

Matthias Kretzler, MD

Standing Study Section Member for Juvenile Diabetes Research Foundation

Standing Study Section Member for Alliance for Lupus Research

Alan B. Leichtman, MD

Scientific Registry of Transplant Recipients (SRTR) Representative to the Secretary of Health and Human Services Advisory Committee on Transplantation

SRTR Representative, Board of Directors, Organ Procurement and Transplantation Network/United Network for Organ Sharing

SRTR Representative, Policy Oversight Committee, Organ Procurement and Transplantation Network/United Network for Organ Sharing

SRTR Representative, Minorities Affairs Committee, Organ Procurement and Transplantation Network/United Network for Organ Sharing

SRTR Representative, Histocompatibility Committee, Organ Procurement and Transplantation Network/United Network for Organ Sharing

SRTR Representative, Ethics Committee, Organ Procurement and Transplantation Network/United Network for Organ Sharing

Anna Lok, MBBS

Advisory Panel, Consensus Development Conference on Management of Hepatitis B, National Institutes of Health

Advisory Panel, Hepatitis B Screening, Centers for Disease Control and Prevention

Grant Review Panel, Loan Repayment Program, National Institute of Diabetes and Digestive and Kidney Diseases

Grant Review Panel, American Liver Foundation

Benjamin L. Margolis, MD

Permanent Member, Cellular and Molecular Biology of the Kidney Study Section, National Institutes of Health

David M. Markovitz, MD

Member, HIV Interdisciplinary Network for Pathogenesis Research in Women, National Institutes of Health

Fernando J. Martinez, MD, MS

National Heart, Lung, and Blood Institute, Institutional Training Mechanism Review Committee Member (T32)

National Heart, Lung, and Blood Institute Special Emphasis Panel to evaluate Patient Oriented Awards Member (K23, K24, K25)

W. Joseph McCune, MD

Chair, Medical Advisory Board, Michigan Lupus Foundation

Sofia Merajver, MD, PhD

Permanent Member for the National Institutes of Health Study Section, Cellular Signaling and Dynamics—Cell Biology Integrated Review Group

Reviewer for the Congressionally Directed Medical Research Programs Breast Cancer Training 1 Panel, U.S. Army Medical Research and Materiel Command

Juanita Merchant, MD, PhD

National Institute of Diabetes and Digestive and Kidney Diseases Council

Bethany B. Moore, PhD

Mentored Scientist Special Emphasis Panel (F31/F32), National Heart, Lung and Blood Institute Review Branch

Martin G. Myers Jr, MD, PhD

National Institutes of Health/Integrative Physiology of Obesity and Diabetes ADA Grant Review Panel

Susan Murphy, ScD, OTR

Editorial Advisory Council for the American Occupational Therapy Association—Geriatric Special Interest Section

American College of Rheumatology, Association for Rheumatology Health Professionals

Akinlolu O. Ojo, MD, PhD

Executive Advisory Committee, U.S. Renal Data System, National Institute of Diabetes and Digestive and Kidney Diseases Council, National Institutes of Health

American Society of Nephrology Grant Review Committee

Clinical Research Review Committee, RIRG-G, National Center for Research Resources, CTSA Study Section

Special Emphasis Panel, Studies of Organ Transplantation in Animals and Man, National Institute of Diabetes and Digestive and Kidney Diseases Council ZDK1 GRB-7 (J1) P

Chung Owyang, MD

NIH National Commission for Digestive Diseases, Overview of the Digestive System Working Group

Subramaniam Pennathur, MBBS

Complications Study Section, Juvenile Diabetes Research Foundation

Elizabeth Petty, MD

Clinical Research Review Committee, National Center for Research Resources, National Institutes of Health

Programmatic Integration Committee, Department of Defense Breast Cancer Research Program Cellular and Molecular Biology-2 Panel, Susan G. Komen for the Cure

Massimo T. Pietropaolo, MD

Diabetes, Endocrinology and Metabolic Diseases B Subcommittee, National Institutes of Health

Special Emphasis Panel, R21 in Clinical Area ZRG1 EMNR-E (06) S

Special Review Study Section, Endocrinology, Metabolism, Nutrition and Reproductive Science, IRG Division of Biologic Basis of Disease, National Institutes of Health

Special Emphasis Panel, ZRG1 EMNR-E 10B, Diabetes, Obesity, Nutrition and Reproductive Biology

Juvenile Diabetes Research Foundation International Autoimmunity Center Grants

Juvenile Diabetes Research Foundation International Innovative Grants

David J. Pinsky, MD

Chairman, National Heart Lung and Blood Research Career Development Programs in Vascular Medicine Study Section, National Institutes of Health Study Section, National Institutes of Health/National Heart Lung and Blood Institute (K23, K24, K25)

Pavan Reddy, MD

Special Emphasis Panel: Hematopoietic Cell Transplantation and Immune Tolerance (ZAI1-MP-I-S1); Allergy, Immunology and Transplantation Research Committee: Special Emphasis Panel Study Section on Innovative Grants on Immune Tolerance (RFA-AI-05-023), National Institute of Allergy and Infectious Diseases, National Institutes of Health World Transplant Congress

American Society of Hematology Scholar Award Study Section

Bruce G. Redman, DO

Small Business Innovation Research/Small Business Technology Transfer Program Cancer Diagnostic and Treatment Study Section, National Institutes of Health

National Advisory Council for Complementary and Alternative Medicine, National Institutes of Health

Bruce C. Richardson, MD, PhD

Merit Review Immunology Study Section, Veterans Administration

Invited participant, National Institutes of Health Epigenetics Roadmap Workshop

Invited participant, National Institute of Arthritis and Musculoskeletal and Skin Diseases Extramural Research Program Scientific Retreat

Blake J. Roessler, MD

Gene Therapy and Inborn Errors Study Section, National Institutes of Health

Theodora S. Ross, MD, PhD

U.S. Army Breast Cancer Research Program Peer Review

Rajiv Saran, MBBS, DTCD, MD, MRCP, MS

National Kidney Foundation of Michigan

James A. Shayman, MD

Polycystic Kidney Disease Clinical Trials Network, Consortium for Radiological Imaging Studies of Polycystic Kidney Disease, National Institutes of Health

Richard H. Simon, MD

Respiratory Sciences Small Business Innovation Research Study Section, National Institutes of Health

Robert G. Sitrin, MD

Lung Cellular, Molecular, and Immunobiology Study Section, National Institutes of Health

Emily Somers, PhD

Epidemiology Study Section, Association of Rheumatology Health Professionals

Theodore J. Standiford, MD

Chair, American Lung Association Career Investigator and Research Fellowship Grant Review Committee

Grace Su, MD

National Institute of Diabetes and Digestive Kidney Disease, IRG-C Subcommittee

Victor J. Thannickal, MD

Lung Cellular and Molecular Immunology Study Section, National Institutes of Health

Research Training Committee, American Lung Association

Anna B. Toews, MD

Study Section, National Heart, Lung, and Blood Research Training Special Emphasis Study Section, National Institutes of Health

Study Section, Oklahoma Center for the Advancement of Science and Technology

Lung Injury, Repair and Remodeling Study Section, National Institutes of Health

Chair, Scientific Advisory Board Norman Salvesen Emphysema Research Fund, University of Edinburgh, Scotland

Shaomeng Wang, PhD

Drug Discovery and Molecular Pharmacology Study Section, National Cancer Institute

National Institutes of Health/National Cancer Institute Drug Discovery and Development P01s

Jocelyn E. Wiggins, BM, BCH

Animal Models of Co-Morbidities in Aging, Advisory Workshop Sponsored by the National Institute on Aging

John Wiley, MD

American Diabetes Association Mayo External Advisory Board

David A. Williams, PhD

Chronic Fatigue Syndrome/Fibromyalgia Syndrome, Temporomandibular Disorders Study Section, Special Emphasis Panel, National Institutes of Health Behavioral Medicine Interventions and Outcomes Integrated Review Group, National Institutes of Health

Raymond L. Yung, MB, ChB

American Federation for Aging Research American College of Rheumatology Study Section B Arthritis Foundation, Cellular Immunology Beeson K. Award Special Emphasis Panel, National Institutes of Health

Claude D. Pepper Older Americans Independent Centers Special Emphasis Panel, National Institutes of Health
