House Staff – Educational Components

Inpatient Nephrology Consult Service

Goals

- Initial assessment, data gathering of consult patients.
- Generate differential diagnosis and initial consult recommendations.

Instructional Format

One-half month as follows:

8:00am-10:00am – Meet with fellow; receive and round on assigned patients; assist with new consults if needed.

10:00am-11:00am – Residents at morning report.

1:00pm-finish – Rounds with attending and team.

Evaluation

- Monthly written evaluation of residents by attending.
- Monthly written evaluation of attending by residents.
- Web site evaluation of rotation form.

Goal Setting/Feedback

- Learning objectives set at the onset of each month by attending.
- Individual feedback mid-month by attending with each resident.
- Learning objectives on web page.

Nephrology Ambulatory Care

Goals (Intern)

- Initial evaluation and data gathering for ambulatory patients in the nephrology clinic.
- Urinalysis and interpretation.

Goals (Resident)

- Evaluation and initial management plan, differential diagnosis for patients in the nephrology clinic.
- Urinalysis and interpretation.

Instructional Format

One-half month as follows:

Choose one of the following half-day nephrology continuity clinics:

- Monday am – Transplant Clinic
- Tuesday am – Transplant Combined Clinic
- Tuesday pm – General Nephrology Clinic
- Wednesday am – General Nephrology Clinic
- Wednesday pm – Transplant Eval Clinic
- Thursday am/pm – Off-site Ann Arbor Hemodialysis/Peritoneal Dialysis Clinic
- Friday am – General Nephrology Clinic

Evaluation

- Monthly written evaluation of residents by attending.
- Monthly written evaluation of attending by residents.
- Web site evaluation of rotation form.

Goal Setting/Feedback

- Learning objectives set at the onset of each month by attending.
- Individual feedback mid-month by attending with each resident.
- Learning objectives on web page.

VA Consult Service

The Goals, Instructional Format and Evaluation components are the same as for the University Hospital rotation (above) with the following exceptions:

Two half-day clinics per week as follows:

- Thursday am – VA Nephrology clinic
- One of the following general nephrology clinics:
 - Monday am – Transplant Clinic
 - Tuesday pm – General Nephrology Clinic
 - Wednesday am – General Nephrology Clinic
 - Friday am – General Nephrology Clinic

Conferences

12:00 noon-1:00pm (Tuesdays) – Board Review Lectures

4:00pm-6:00pm (Wednesdays) – Research/Basic Science Combined Conference

(Refer to the web site for Conference schedules)
