

IRBMED Chairs On-Call Determination Instructions

This schedule lists the 5 **IRBMED** (Institutional Review Board of the Medical School) people who can be contacted in the event that someone calls with an emergency related to human research subject safety.

The person on call should be contacted first. If not available, contact the alternate. In the event you cannot reach the person on call or the alternate, then call the 3 **Vice Chairs** listed below starting in alphabetic order.

A copy of this schedule has been given to the **UMHS Operator** (6-4000), can be found in our **IRBMED Procedure Manual**, and on the **IRBMED website**.
