

# How to Use the Care Guides Site

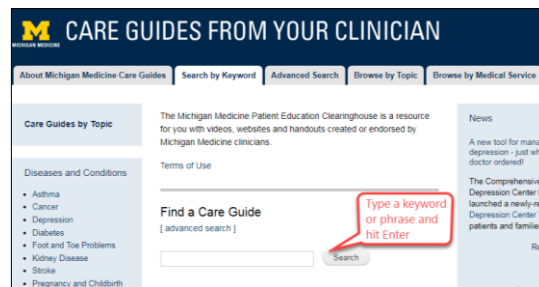

<http://careguides.med.umich.edu>

The Care Guides from Your Clinician site is for patients, families and the general public. The site includes videos, websites and handouts created or approved by Michigan Medicine clinicians.

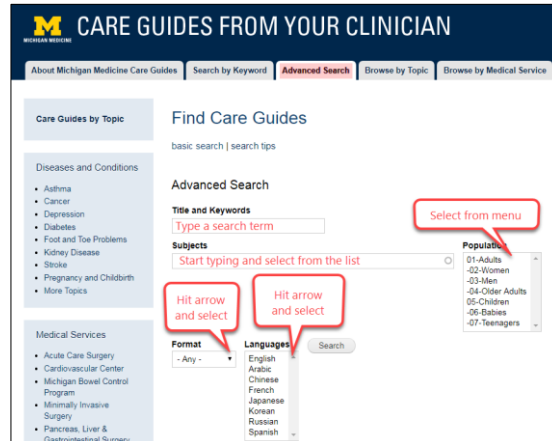

## Searching Care Guides:

### 1 Option 1: General Topic/Keyword Search

- Type a search term and hit **Enter** or **Search**
- Search terms can be either a keyword or several keywords.

### 2 Option 2: Advanced Search

### 3 Option 3: Browse by Topic or Medical Service
