

Location of MIAC: 3378 Biological Science Research Building (BSRB)

109 Zina Pitcher Place, Ann Arbor, MI 48109-2200

Phone: 734-647-8233

The MIAC is located on the 3rd Floor of the Biological Science Research Building (BSRB) in lab area 3378/3370 BSRB

The Core is on the North side of BSRB facing Ann St. parking structure. It is closest to the 3 elevators on the West end of BSRB. Enter the doorway toward the right-hand side as you exit the WEST-side elevators and continue down the hallway towards your right-hand side. The Core can be found by entering the Door labeled Room 3380.

The Olympus FV500 confocal and Nikon inverted fluorescent microscopes are in the alcove Room 3370 within the lab area 3378.

Public Parking

There is meter parking on E. Ann Street and Zina Pitcher. There is also meter parking on the ground level of the Ann Structure on E. Ann St. across from the BSRB. The next closest public parking structure is the Palmer Structure (see map above).
