

# MEDICAL EDUCATION DAY 2008

## TUESDAY, JUNE 10TH, 2008

Towsley Center  
University of Michigan Medical School  
Ann Arbor, Michigan

## CALL FOR ABSTRACTS

**Medical Education Day** highlights educational innovations taking place throughout the UM Medical School and makes them available for all to see and experience. Authors will be on-hand to describe and demonstrate the innovations they have developed, and to discuss their ideas and experiences with participants.

**The Medical Education Day 2008** features plenary speaker will be Dr. William C. McGaghie, Professor and Associate Director of the Office of Medical Education and Faculty Development for Feinberg School of Medicine, Northwestern University

### SUBMITTING AN ABSTRACT

The Program Planning Committee invites the submission of abstracts for **Medical Education Day 2008** for one or more of the following categories. Please indicate the category of your abstract with its submission.

- **Poster Presentations** that describe, display or demonstrate medical education research and evaluation efforts or educational innovations (e.g., "Development of Novel Instruments to Evaluate Professionalism in Surgical Residents").
- **Computer Demonstrations** (e.g., "Using the Internet to Track House Officer Performance").

### MEDICAL EDUCATION DAY 2008 ABSTRACT INSTRUCTIONS

Please submit your abstract electronically by sending it as a Microsoft Word document (.doc or .rtf) e-mail attachment file to [meded.day.abstracts@umich.edu](mailto:meded.day.abstracts@umich.edu). The abstract must include:
