

NO SCHOOL!

Whether they want it or not, the pupils of the schools have a compulsory vacation for a period of time not now known. This was the decision reached at the Board of Education meeting held at 2 o'clock Tuesday afternoon. It was thought best to take this step in order to safeguard the health of the students from the epidemic of Spanish Influenza, now so prevalent all over the United States. The news was quickly dispatched to the classrooms, where it was enthusiastically received by most of the pupils. Teachers must be ready to return on 24 hours notice; pupils will be speedily informed when school opens again.
