Contract Surgeon, S.A.T.C.

Acting Surgeon General.

Local Facilities for caring for sick students.

1. a. There is a college infirmary, located on the campus, having 30 beds.
- b. There is no hospital in the near vicinity.
- c. There are several large club houses, at present closed. Well adapted for hospital use if necessary.
- d. Prior to the beginning of the present crisis, all students have been cared for in the College Infirmary.
- e. There are four reliable druggists in town, with whom arrangements could be made to supply medicines.

W. S. MacLaren  
Contract Surgeon
