HEADQUARTERS EASTERN DEPARTMENT

Governor's Island, New York City

October 9, 1918.

From: Adjutant

To: Senior Army Officer, S. A. T. C., Princeton University,
 Princeton, N. J.

Subject: INFLUENZA.

The following War Department telegram is published for your information and compliance:-

"14 NY AH 53GVT NL
 WASHINGTON DC OCT 8 1918

Commanding Officer
 E D GOVISLAND NY

In order to prevent the spread of influenza through civil communities the commanding officers of camps posts and stations not quarantined but in which influenza is prevalent will suspend all individual furloughs for enlisted men and leaves of absence to officers except where exceptional circumstances of great weight render such furlough very necessary

HARRIS

10AM"

By command of Major General Bell.

Chas. M. O'Connor,
 Colonel, U. S. A., Ret.,
 Assistant to Adjutant.
