### **One for the Record Books**

September 22, 2008 was an event for the record books for Oliver / Hatcher Charities and the Child Family Life Department at the University of Michigan C.S. Mott Children's Hospital.

The 9<sup>th</sup> Annual Oliver / Hatcher Construction Charity Golf Outing was held at Meadowbrook Country Club in Northville. The combination of great weather, a beautiful course and good friends filling up the field helped to set the stage for the main event, the evening's guest speaker, the legendary Mr. Ernie Harwell.

Mr. Harwell kept the audience captive with many stories and ended his talk by receiving a standing ovation from the crowd. After the speakers and announcements, a live auction ensued raising additional monies for the charity. The activities allowed Oliver / Hatcher to present its single largest check ever in the amount of \$101,000 to Dan Fischer, Director of Child and Family Life. With the presentation of this year's check, Oliver / Hatcher's donations total over \$610,000 in nine (9) years.

The foursome that stood out this year was the team led by Rick Leach, former U of M and Tigers player. Mr. Leach has signed on to be the guest speaker for the 2009 event.

Oliver / Hatcher is proud to remain the largest supporter of the Child and Family Life Department at Mott Hospital. For additional information regarding Oliver / Hatcher Construction and Oliver / Hatcher Charities, please contact Paul Oliver or Paul Hatcher at 248.374.1100.
