

An impressionistic painting of a landscape. The top half features a bright, warm sky with yellow and orange tones, suggesting a sunrise or sunset. Below the sky is a wide expanse of blue water, rendered with thick, textured brushstrokes in various shades of blue and white. The bottom half of the painting depicts a lush green field with numerous small pink flowers scattered throughout. The overall style is expressive and vibrant, with a focus on color and light.

### RESPONSIVE READING

"WE REMEMBER YOU"

In the rising of the sun and in its going down,

**We remember you.**

In the blowing of the wind and in the chill of winter,

**We remember you.**

In the opening of the buds and in the rebirth of spring,

**We remember you.**

In the blueness of the sky and in the warmth of summer,

**We remember you.**

In the rustling of the leaves and in the beauty of autumn,

**We remember you.**

In the beginning of the year and when it ends,

**We remember you.**

When we are weary and in need of strength,

**We remember you.**

When we are lost and sick at heart,

**We remember you.**

When we have joys we yearn to share,

**We remember you.**

And especially as we have come together today,

**We remember you.**

So long as we live, you too shall live,

**For you are a part of us, and we will always remember you.**
