

# ARBONNE INTERNATIONAL

In honor of C.S. Mott Children's Hospital, I am donating 100% of my retail profits (35% of the order) from your purchases of Arbonne products. Arbonne International is an inner and outer health and wellness company that offers a variety of pure, environmentally safe, beneficial products that your family and friends can enjoy.

We now know that what we put on our skin enters our bloodstream and is within every major organ of our body within 30 seconds! For the last 26 years, Arbonne has been formulating products that are:

- \*Botanically-based
- \*pH correct
- \*Hypoallergenic
- \*Dermatologist tested
- \*Formulated without dyes or chemical fragrances
- \*Formulated without animal products or by-products
- \*Formulated without mineral oil
- \*Never tested on animals

We offer selections in skin care, aromatherapy, nutrition, makeup and much more! There is something for everyone – from baby products to anti-aging formulas. **We purchase gifts this time of year anyway. Why not have the profits benefit a worthwhile cause – not the retail stores!** For the Holidays, a gift of Arbonne is one that will be used and appreciated all year long – and pure, safe and beneficial always fits!
