DAVID E. SANDBERG, Ph.D.
CURRICULUM VITAE

EDUCATION

1988 - 1990	Hofstra University, Certificate of Respecialization in Clinical Psychology (Approved by the American Psychological Association)
1978 - 1982	Concordia University, Montreal, Canada, Psychology, Ph.D.
1975 - 1977	Bar-Ilan University, Israel, Experimental Psychology, M.A.
1971 - 1975	Bar-Ilan University, Israel, Psychology, B.A.

POST-GRADUATE TRAINING

09/1985 – 07/1988	Post-Doctoral Research Scientist in Psychiatry, Division of Child & Adolescent Psychiatry, College of Physicians & Surgeons of Columbia University, New York, NY
09/1983 – 08/1985	Visiting Fellow, Department of Psychiatry, Division of Child & Adolescent Psychiatry, College of Physicians & Surgeons of Columbia University, New York, NY
08/1982 – 08/1983	Postdoctoral Fellow, Department of Pediatrics, University of Miami Medical School, Miami, FL

CERTIFICATION AND LICENSURE

1987, Psychology, New York, #009240-1
2006, Psychology, Michigan, #6301013223

ACADEMIC APPOINTMENTS

09/2006 – Present	Associate Professor of Pediatrics and Communicable Diseases, University of Michigan Medical School, Ann Arbor, MI
07/2000 – 08/2006	Adjunct Associate Professor of Psychology, University at Buffalo, The State University of New York, Buffalo, NY
07/1997 – 08/2006	Associate Professor of Psychiatry and Pediatrics, University at Buffalo, The State University of New York, Buffalo, NY
06/1995 – 06/2006	Senior Staff Psychologist, Division of Child & Adolescent Psychiatry, (Pediatric Psychiatry & Psychology), Women's and Children's Hospital of Buffalo, Kaleida Health, Buffalo, NY
07/1993 – 06/1997	Assistant Professor of Psychiatry and Pediatrics, University at Buffalo, The State University of New York, Buffalo, NY
07/1990 – 05/1995	Senior Staff Psychologist, Division of Child & Adolescent Psychiatry, (Psychoendocrinology Program), Children's Hospital of Buffalo,

07/1990 – 06/1993	Buffalo, NY Clinical Assistant Professor of Psychiatry and Pediatrics, State University of New York at Buffalo, Buffalo, NY
08/1988 – 07/1990	Assistant Professor of Psychology in Psychiatry and Pediatrics, Cornell University Medical College, New York, NY
08/1988 – 07/1990	Staff Psychologist, Department of Pediatrics, Divisions of Pediatric Endocrinology, Metabolism and Nutrition and Child & Adolescent Psychiatry (Consultation/Liaison), North Shore University Hospital-Cornell University Medical College, Manhasset, NY

GRANT SUPPORT

COMPLETED

National Institute of Child Health and Human Development 1F32HD006726-01 <i>Androgen-Related Genital Defects and Male Development</i> Role: Principal Investigator (individual NRSA)	1985 - 1987
Human Growth Foundation <i>Short stature: A survey of psychosocial and academic difficulties</i> Role: Principal Investigator \$10,000	1990
Pediatric Endocrine Nursing Society <i>Influence of growth hormone therapy on patient and family functioning</i> Role: Co-Principal Investigator (co-PI Barbara Shine, RN and Wanda Grundner, RN) \$5,000	1990
Pediatric Endocrine Nursing Society <i>Growth failure: Educational functioning and family adjustment</i> Role: Co-Principal Investigator (Co-PI Barbara Shine, RN and Wanda Grundner, RN) \$5,000	1993
Human Growth Foundation <i>School-based survey of the academic achievement and peer relations of children and adolescents with short stature</i> Role: Principal Investigator \$7,500	1994
Genentech Foundation for Growth and Development 94-236 <i>Psychological adjustment in children and adolescents with short stature: a school-based study</i> Role: Co-Principal Investigator (Co-PI Susana Campos, MD) \$35,625	1994

Genentech Foundation for Growth and Development 95-77 <i>Psychosocial and educational aspects of short stature</i> Role: Co-Principal Investigator (Co-PI Susana Campos, MD) \$20,000	1995
Genentech Foundation for Growth and Development <i>Post-treatment outcomes of childhood onset growth hormone deficiency: medical and psychosocial status</i> Role: Co-Principal Investigator (Co-PI Margaret MacGillivray, MD, Richard Clopper, ScD) \$75,218	1994-1996
Centers for Disease Control and Prevention, Agency for Toxic Substances and Disease Registry H75 ATH 29833805 <i>The New York State Angler Cohort Study</i> Role: Co-Investigator (PI John Vena, PhD) \$1,236,092 Direct Costs	1995-1998
Genentech Foundation for Growth and Development 96-52 <i>Regimen adherence in growth hormone therapy: an intervention protocol</i> Role: Principal Investigator \$93,675	1996-1998
National Institute of Environmental Health Sciences, NIH 1R03ES008500-01 <i>Endocrine disruptors and human gender development</i> Role: Principal Investigator \$76,000	1996-1997
Genentech Foundation for Growth and Development 97-110 <i>Effects of growth hormone on psychosocial functioning</i> Role: Co-Principal Investigator (Co-PI Margaret MacGillivray, MD) \$300,000	1998-2002
Genentech Center for Clinical Research and Education 900-C07 <i>Accuracy in Parental Reporting of Height: An Endocrine Clinic-based Study</i> Role: Co-Principal Investigator (Co-PI John Buchlis, MD) \$24,000	2002-2003
Lawson Wilkins Pediatric Endocrine Society <i>Intersexuality: A survey of clinical practice</i> Role: Principal Investigator \$150,860	2001-2003

National Institute of Child Health and Human Development 2003-2006
5R21HD044398-03
Psychosexual Differentiation: Biology and Socialization, an Interdisciplinary Research Network
Role: Network Member (PI Sheri Berenbaum, PhD)
\$375,000

National Newborn Screening and Genetics Resource Center (NNSGRC), Health Resources
Service Administration, U.S. DHH Services 2003-2006
Contract No. 117378/116984
*Psychosocial Treatment Manual for Families of Children Born With Congenital Adrenal
Hyperplasia (CAH) Identified Through Newborn Screening*
Role: Principal Investigator
\$40,000

Interdisciplinary Research and Creative Activities Funds, University at Buffalo
Office of the Vice President for Research 2004-2005
*Psychosocial Treatment for Families of Children Born With Congenital Adrenal Hyperplasia
(CAH) Identified Through Newborn Screening*
Role: Principal Investigator
\$27,000

CURRENT

University of Michigan Institute for Clinical and Health Research 2008
Parental Decision Making for Children Born with Disorders of Sex Development
Role: Principal Investigator
\$50,000

University of Michigan Initiative on Rare Disease Research 2008
Symposium Support Grant
*Disorders of Sex Development: Research Framework for the Study and
Enhancement of Health-Related Quality of Life Outcomes*
Role: Principal Investigator
\$20,000

National Institute of Child Health and Human Development 2008-2011
1R01HD053637-01
*Quality of Life in Intersexuality: A Pediatric Clinical and
Research Tool*
Role: Principal Investigator
\$1,378,553.00

Doris Duke Clinical Scientist Award 2009-2014
Disorders of Sex Development
Role: Consultant
\$1,500,000

HONORS AND AWARDS

- 1978 - 1981 Concordia University Graduate Fellowship (Montreal, Canada)
1978 - 1981 Predoctoral Fellowship from the Ministry of Education, Quebec, Canada
1982 - 1984 Postdoctoral Fellowships from the Quebec Medical Research Council and the Natural Sciences and Engineering Research Council (Canada)
2001 Fellow, American Psychological Association
2001 Charter Fellow, Society of Pediatric Psychology
2002 Organizer and participant in NICHD-sponsored interdisciplinary *Research Planning Workshop on Intersex*, May 2002
2005 Invited attendee to NIH/NIDDK Workshop. *Research Progress Report and Strategic Plan for Pediatric Urology*. Adelphi, MD, February 2-4, 2005
2005 Member, *Psychosocial and Psychosexual Issues and Management* work group, Lawson Wilkins Pediatric Endocrine Society/European Society for Paediatric Endocrinology Consensus Meeting on Intersexuality, Chicago, IL, October 27-29, 2005
2005 Award for *Outstanding Achievements in Research*, Department of Psychiatry, University at Buffalo, State University of New York
2007 Member, Consensus Guidelines for the Diagnosis and Treatment of Children with Idiopathic Short Stature. Lawson Wilkins Pediatric Endocrine Society and the European Society for Pediatric Endocrinology, Santa Monica, CA, October 17-20, 2007

MEMBERSHIPS IN PROFESSIONAL SOCIETIES

- Member, American Psychological Association (Fellow)
Charter Fellow, Society of Pediatric Psychology – Division 54
Member, Society of Clinical Child and Adolescent Psychology – Division 53
Member, Society for Developmental and Behavioral Pediatrics
Member, Lawson Wilkins Pediatric Endocrine Society
Member, International Academy of Sex Research
Associate Member, Children’s Oncology Group (A National Cancer Institute-Supported Clinical Cooperative Group)

EDITORIAL POSITIONS, BOARDS, AND PEER REVIEW SERVICE

Editorial Board

- 2003 - Present Journal of Pediatric Psychology, Editorial Board
2004 - Present Growth, Genetics & Hormones, Associate Editor
2008 – Present Journal of Pediatric Endocrinology, Associate Editor

Ad Hoc Reviewer of Manuscripts

Acta Pædiatrica
BioMed Central Pediatrics
Clinical Endocrinology
Developmental Psychology
Health Psychology
Hormone Research
International Journal of Behavioral Development
Journal of Affective Disorders
Journal of Child Psychology and Psychiatry and Allied Disciplines
Journal of Clinical Endocrinology & Metabolism
Journal of Developmental and Behavioral Pediatrics
Journal of Family Psychology
Journal of Pediatrics
Pediatrics
Quality of Life Research
Sex Roles
The New England Journal of Medicine

Ad Hoc Grant Reviewer

National Institutes of Health (1996; 2002)
Pediatric Endocrine Nursing Society
Human Growth Foundation

TEACHING ACTIVITIES

College of Physicians & Surgeons of Columbia University

1987 Continuing Medical Education Lectures, Rockland Children's Psychiatric Center, Orangeburg, New York. Structured and semi-structured child and adolescent psychiatric interviews. June 2, 9, 1987
1987 Co-taught sections of Child Development course to child & adolescent psychiatry fellows

Cornell University Medical College:

1988 - 1990 Teaching psychology externs and interns, pediatric residents, and child and adolescent psychiatry fellows, Departments of Psychiatry and Pediatrics, North Shore University Hospital, in areas of clinical research methodology and psychoendocrinology

University at Buffalo, School of Medicine & Biomedical Sciences

1990 - 2006 Teaching topics within field of psychoendocrinology to medical students and pediatric residents; monthly lectures
1991 - 2006 Behavior Therapy module of Seminar in Therapies for Children and Adolescents, Child Psychiatry Residency Program; 5 one-hour lectures
1999 - 2006 Moderator of Journal Club, Child & Adolescent Psychiatry Residency Program; monthly

- 1995 - 2006 Short Stature, Precocious Puberty, and Gender Identity Disorders: Seminar in Child Psychopathology and Neuropsychiatric Disorders, Child Psychiatry Residency Program; 3 one-hour lectures
- 1995 - 2006 Research Seminar, Child & Adolescent Psychiatry Residency Program; 12, 1.5-hour lectures
- 1997 - 2001 Human Behavior I: Human Psychosexual Differentiation. Lecture to all M2 students; 1, 2-hour lecture
- 2002 - 2006 Endocrine/Reproductive Biology/Life Cycle Module, Lecture to all M2 students; 4, 1-hour lectures

Medical Student Mentoring (National Heart, Lung, and Blood Institute, NIH, Summer Research Program)

- 2002 Orlando Encarnación, Intersexuality: A survey of clinical practice (Phase I: Survey development)
- 2003 Darrel Manney, University of Pittsburgh. Intersexuality: A survey of clinical practice (Phase II: Survey administration)
- 2004 Latonya Hendricks, Southern Illinois University at Carbondale. Psychosocial treatment for families of children born with congenital adrenal hyperplasia (CAH) identified through newborn screening
- 2005 Lolita Ontiveros, University of Wisconsin-Milwaukee. Psychosocial adaptation to short stature: family contextual variables

University of Michigan

Research Supervision

- 2007 – 2008 Luke Carron (Undergraduate Research Opportunity Program (UROP))
- 2008 – 2009 Emily Haddad, MSW candidate, School of Social Work
- 2008 – 2009 Sasha Zarins, undergraduate research assistant volunteer
- 2008 – 2009 UROP: Nicole Ramanathan, Marissa Flores, Sharan Mullen

University of Michigan Medical School

- 2006 - Topics in Psychoendocrinology, monthly lecture to pediatric residents during Developmental-Behavioral Pediatrics rotation.

Clinical Supervision (Pediatric Psychology Post-Doctoral Fellows)

- 2006-2007 Jennifer Butcher, PhD
- 2007-2008 My Lien, PhD
- 2007-2009 Dawn Dore-Stites, PhD
- 2008-2009 Matthew Myrvik, PhD

Junior Faculty Mentoring

- 2007- Jennifer Butcher, PhD, Child Behavioral Health, Pediatrics
- 2007 - Catherine Peterson, PhD, Child Behavioral Health, Pediatrics
- 2007 - Bethany Sallinen, PhD, Child Behavioral Health, Pediatrics
- 2007 - Beth Tarini, MD, General Pediatrics (Child Health Evaluation and Research Unit)

COMMITTEE, ORGANIZATIONAL, AND VOLUNTEER SERVICE

University at Buffalo, State University of New York, School of Medicine & Biomedical Sciences

University Service

- 1999 - 2001 Department of Psychiatry Representative to the Faculty Council
- 1999 - 2003 Faculty Council Continuing Medical Education Committee (Acting Chair, 2001-2002)
- 2000 - 2001 Member, Search Committee for Chief, Division of Pediatric Endocrinology
- 2001 - 2006 Health Sciences Institutional Review Board, Alternate
- 2000 - 2003 *Ad hoc* Committee for Promotions to Unqualified Ranks,
- 2004 - 2006 *Ad hoc* Committee for Promotions to Unqualified Ranks

Departmental Service (Psychiatry)

- 1993 - 1994 Strategic Planning Task Force, Academic Management Issues
- 1993 - 1994 Research & Faculty Development Committee
- 1993 - 2006 Appointments, Promotions, Tenure and Privileges Committee (Chair, 1996-2006)
- 1993 - 2006 Research Subcommittee, Division of Child & Adolescent Psychiatry (Chair, 1995-2006).
- 1993 - 1998 Promotions & Credentialing, Division of Child & Adolescent Psychiatry
- 1994 - 1999 Institutional Review Board, Children's Hospital of Buffalo
- 1995 - 2006 Selection Subcommittee for the Child & Adolescent Psychiatry Residency Training Program
- 1995 - 2006 Evaluation Subcommittee for the Child & Adolescent Psychiatry Residency Training Program
- 1995 - 2006 Residency Training Committee, Child & Adolescent Psychiatry
- 2004 Departmental Strategic Planning Retreat, Research Development Work Group.
- 2005 - 2006 Academic Affairs Steering Committee

University of Michigan Medical School

University Service

- 2008 Member, Pediatric Clinical Research Committee, MICHR Clinical & Translational Science Award (CTSA)

Departmental Service (Pediatrics)

- 2008- Member, Grand Rounds Committee
- 2009- Co-Chair, *ad hoc* Committee on Behavioral Health Services

Professional Service

- 2001 - Member, *ad hoc Disorders of Sex Development Committee* (formerly the Committee on Intersexuality), Lawson Wilkins Pediatric Endocrine Society
- 2004 - 2006 Co-Chair, Society of Pediatric Psychology (APA, Div 54) *Task Force on Access to*

Pediatric Psychology Services

2007 - 2008 Member, *Ethics Committee* of the Lawson Wilkins Pediatric Endocrine Society

Volunteer Service

Committee/Board Work

Children's Growth Foundation <http://www.childsgrowth.org/netscape.html>

(Member Agency of the United Way of Buffalo & Erie County, NY)

1990-1995 Member, Medical Advisory Board

1995-2004 President

2004-2006 Member, Health Advisory Board

Buffalo Academy for Visual and Performing Arts

1993-1997 Member, Dance Advisory Board, Buffalo Public Schools

Human Growth Foundation <http://www.hgfound.org/>

1994-1997 Director-at-Large

Turner Syndrome Society of the United States <http://www.turnersyndrome.org/>

2001- Member, Health Advisory Board

Consortium on Disorders of Sex Development <http://www.dsdguidelines.org/>

2005 Member

Intersex Society of North America <http://www.isna.org/>

2006-2008 Medical Advisory Board

Accord Alliance (project of the Tides Center) <http://www.accordalliance.org/>

2007- Founding Member, Advisory Board

MAGIC (Major Aspects of Growth in Children) Foundation

<http://www.magicfoundation.org/www>

2001- Member, Medical Advisory Board

CARES (Congenital Adrenal hyperplasia Research, Education and Support) Foundation

<http://caresfoundation.org/symptoms.html>

2007- Member, Scientific and Advisory Board

Community Lectures:

1. Psychosocial aspects of short stature. Children's Growth Foundation supported talk given to parents of children receiving growth hormone therapy at Children's Hospital of Buffalo (November 7, 1990).
2. Are you male or female? Nichols Wellness Fair, Buffalo, NY (February 28, 1991) (workshop given jointly with T Mazur).
3. Psychosocial aspects of short stature. Children's Growth Foundation, Children's Hospital of Buffalo (November 16, 1991).
4. Psychosocial assessment and clinical management of Turner syndrome. Children's Growth

- Foundation, Buffalo, NY (March 14, 1992).
5. Teenage sexuality: a talk for parents. Buffalo Academy for Visual and Performing Arts, Buffalo, NY (February 19, 1992 and February 17, 1993).
 6. Sexual orientation: potential biological contributions. Westminster Presbyterian Church Adult Program, Buffalo, NY (May 16, 1993).
 7. Psychosocial aspects of short stature: early clinical and emerging research perspectives. Human Growth Foundation, Columbia, MD (November 6, 1993).
 8. Psychosocial aspects of short stature: early clinical and emerging research perspectives. Human Growth Foundation, Montreal, Canada (March 5, 1994).
 9. Short stature: psychosocial issues. Human Growth Foundation and Serono Symposia USA, Inc.'s Insights Into Growth Disorders, Uniondale, NY (June 11, 1994).
 10. Psychological, social, and emotional aspects of being short. Second Combined University of Toronto, McMaster University and the University of Western Ontario Growth Day, Toronto, Ontario (October 22, 1994).
 11. Psychosocial aspects of short stature: early clinical and emerging research perspectives. Human Growth Foundation and Serono Symposia USA, Inc. Dayton, OH (September 17, 1995).
 12. Psychosocial aspects of short stature: early clinical and emerging research perspectives. Human Growth Foundation and Serono Symposia USA, Inc. Atlanta, GA (November 12, 1995).
 13. Short stature: psychosocial issues - past experience and new directions. Human Growth Foundation and Serono Symposia USA, Inc. Rockville, MD (May 4, 1996).
 14. Short stature: psychosocial issues - past experience and new directions. Human Growth Foundation and Serono Symposia USA, Inc. Chicago, IL (October 26, 1996).
 15. Short stature: psychosocial issues - past experience and new directions. Human Growth Foundation and Serono Symposia USA, Inc. Denver, CO (April 5, 1997).
 16. Formerly treated growth hormone deficient adults: How well are they doing? Human Growth Foundation, Annual Meeting, Memphis, TN (April 18, 1998).
 17. Genital and reproductive anomalies in children. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Chicago, IL (July 18-21, 2002).
 18. The psychology of short stature: Are our assumptions based on the scientific evidence? Turner Syndrome Society of the United States, 2002 Annual Convention, St. Louis, MO (August 9-11, 2002).
 19. Career Day Program, Pediatric Psychology. West Seneca West High School, West Seneca, NY (November 20, 2002).
 20. Psychosocial aspects of short stature and assumptions underlying its treatment with growth hormone therapy. Family Growth Day 2003, Winnipeg Children's Hospital, Winnipeg, Canada (March 22, 2003).
 21. The psychology of short stature. Children's Growth Foundation Annual Family Meeting, Buffalo, NY (May 3, 2003).
 22. Psychosocial aspects of short stature and assumptions underlying its treatment with growth hormone therapy. Turner Syndrome Support Group of Central New York, Syracuse, NY (June 13, 2003).
 23. Invited testimony (with Anne Lockwood, Ph.D.) at the Public Hearing, Preventing Childhood Obesity At School, At Home And In The Community / Task Force on Food, Farm and Nutrition Policy; Chair, New York State Assemblyman Felix W. Ortiz. University at Buffalo (July 5, 2003).

24. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Chicago, IL (July 25-27, 2003).
 - *Coping with a Chronic Illness - How It Affects the Family*
 - *Psychosocial Issues Affecting Girls/Adolescents with Turner Syndrome*
 - *Genital and Reproductive Anomalies in Children: How Can I Support My Child?*
25. A Fair and Balanced Look at Short Stature: Myth and Reality. Family Growth Day, Hospital for Sick Children, Toronto, Canada (October 25, 2003).
26. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Chicago, IL (July 22-25, 2004).
 - *Special Challenges Facing Older Children with CAH*
 - *Psychosexual Issues in Children Born with Genital or Reproductive Anomalies: How Can I Best Support my Child?*
 - *Family Matters: The Affected Child Is Not the Only One Affected*
27. Family Matters. Children's Growth Foundation Annual Family Meeting, Buffalo, NY (March 13, 2004).
28. Coping with a Chronic Illness – How It Affects the Family. Hemophilia Center of Western NY, Buffalo, NY (September 27, 2004).
29. CARES (Congenital Adrenal Hyperplasia Research Education and Support) Foundation, 2004 Conference on Congenital Adrenal Hyperplasia, Summit, NJ (October 24, 2004).
 - *How Can I Best Support My Child and Impact of CAH on Siblings and Families (with Sheri Berenbaum, PhD and Susan Baker, PhD)*
 - *Older Kids with CAH: Discussion group for male teens with CAH*
 - *Younger Kids with CAH: Discussion group for pre-teens with CAH*
30. The Impact of Chronic Illness on the Family. Children's Growth Foundation Annual Family Meeting, Buffalo, NY (April 9, 2005).
31. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Chicago, IL (July 20-23, 2005).
 - *Will They Ever Do It On Their Own? Discussion group with parents with teens with congenital adrenal hyperplasia (with Tom Mazur, PsyD)*
 - *Helping your Child to Positively Manage a Genital and Reproductive Difference Parts 1 & 2 (with Tom Mazur, PsyD and Ellen Bean)*
32. Coping with a Child's Chronic Illness -- How It Can Affect the Family. Western New York PKU Association, Buffalo, NY (February 4, 2006).
33. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Chicago, IL (July 23-26, 2006).
 - *Strategies to Get Through Those Difficult Times in Raising a Child with CAH*
 - *Parenting A Child Who Has A Genital Or Reproductive Difference: What Professionals Have Learned From 50 Combined Years Of Clinical Experience That Can Help MAGIC Parents (Parts 1 & 2) (with Tom Mazur, PsyD)*
34. Hypospadias & Epispadias Association, New York, NY (July 29-31, 2006).
 - *Childhood Gender and Psychosocial Development in Boys With Hypospadias*
 - *A Psychoeducational Treatment Manual for Families of Newborns with Congenital Health Problems: A Pilot Project*
35. Congenital Adrenal Hyperplasia Family Education Day, Ann Arbor, MI (May 19, 2007)
 - *Family coping with CAH*

36. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Wheeling, IL (July 19-22, 2007).
 - *CAH Research: Putting it in Perspective.* (with Phyllis W. Speiser, MD)
 - *What You Need to Know About Genital and Reproductive Anomalies in 2007* (with Tom Mazur, PsyD)
 - *What Parents Want to Discuss about Genital and Reproductive Anomalies*
37. MAGIC (Major Aspects of Growth in Children) Foundation Annual Convention, Wheeling, IL (July 24-27, 2008).
 - *Raising a Medically Responsible Adolescent*
 - *Coping With a Child's Chronic Illness -- How It Can Affect the Family*
 - *Helping Your Child Adjust to a Disorder of Sex Development (DSD)*
38. Lake County Health Department and Community Health Center, Is It a Boy or a Girl? Understanding Clients With Disorders of Sex Development (DSD), Gurnee, IL (September 19, 2008).
 - Overview of Disorders of Sex Development

CONSULTING POSITIONS

VISITING PROFESSORSHIPS, SEMINARS, AND EXTRAMURAL INVITED PRESENTATIONS

University at Buffalo, State University of New York

1. Regional Conference on Recognition and Management of Growth Failure in Childhood. Psychosocial aspects of short stature (March 6, 1991).
2. Grand Rounds Presentation, Department of Pediatrics. Psychosocial aspects of short stature: early clinical and emerging research perspectives (February 12, 1993).
3. Grand Rounds Presentation, Department of Pediatrics. Children's Hospital of Buffalo, NY. Congenital hypothyroidism: treatment approaches (with SP Campos) (July 15, 1994).
4. Spring Seminar Series, Department of Social & Preventive Medicine. The developmental effects of sex hormones on human behavior, Buffalo, NY (February 10, 1995).
5. Grand Rounds Presentation, Department of Psychiatry. Short stature: A psychosocial burden requiring growth hormone therapy? (January 31, 1997).
6. Grand Rounds Presentation, Department of Pediatrics. The quality-of-life benefits of growth hormone-increased adult height: What's known (October 29, 1999).
7. National Heart, Lung, and Blood Institute, NIH, Summer Research Program. Endocrine disruptors and human sex-dimorphic development (July 14, 2002).

8. National Heart, Lung, and Blood Institute, NIH, Summer Research Program. Endocrine disruptors and human sex-dimorphic development (June 13, 2003).
9. National Heart, Lung, and Blood Institute, NIH, Summer Research Program. Stereotypes vs evidence: The example of 'short stature' and its clinical management (July 16, 2004).
10. National Heart, Lung, and Blood Institute, NIH, Summer Research Program. The psychosocial aspects of short stature: Are our assumptions evidence-based? (July 29, 2005).
11. Grand Rounds Presentation, Department of Pediatrics. Assessing patient centered communication at WCHOB. Discussant. (March 3, 2006).

University of Michigan

1. Pediatrics & Communicable Diseases, Alumni Association. Growth hormone treatment for short stature: Questioning assumptions and gauging success. (October 20, 2006).
2. Pediatrics & Communicable Diseases, Health Services Research Seminar. Psychoendocrine travel log and tour of future destinations. (October 24, 2006).
3. University of Michigan Medical School, LGBT Health Awareness Week. Disorders of sex development: Clinical decision-making in a state of flux. (March 16, 2007).
4. Pediatrics & Communicable Diseases, Grand Rounds. Newborn screen as a laboratory for service delivery research: optimizing health and quality of life outcomes in pediatric chronic illness. (May 29, 2007).
5. Department of Surgery, Michigan Interdisciplinary Committee on Disorders of Sex Development. Consensus Statement on Management of Disorders of Sex Development (DSD). (June 11, 2007).
6. Pediatrics & Communicable Diseases, Health Services Research Seminar. Variability in clinical management of disorders of sex development: reasons to be concerned, (October 30, 2007).
7. Pediatrics & Communicable Diseases, Grand Rounds. Management of disorders of sex development: The case for integrated team care. (January 22, 2008).
8. Bioethics Program, Grand Rounds. Psychosocial Aspects of Height and Its Management. (March 26, 2008).
9. Pediatric Surgery Didactic Lecture. Disorders of Sexual Development: Psychosocial factors and clinical management (June 4, 2009).
10. Pediatrics & Communicable Diseases, Health Services Research Seminar. Disorders of Sex Development: Report on a Research and Quality Improvement Symposium, (June 23, 2009).

Regional

1. Queens Children's Psychiatric Center, Grand Rounds Presentation. Boys with congenital abnormalities of the sex organs, Queens, New York, NY (March 27, 1986).
2. Rockland Children's Psychiatric Center, Grand Rounds Presentation. Androgens and male development. Orangeburg, NY (January 6, 1987).
