

Buy a Tile, Build a Dream

Help Mott patients leave a lasting impression on the new University of Michigan C.S. Mott Children's Hospital and Women's Hospital

Tile Project at the University of Michigan C.S. Mott Children's Hospital and Women's Hospital

- Sponsor Mott patients to make decorative clay tiles that will be installed in the new facility.
- Sponsorship is for current or former Mott patients and their siblings.
- Tiles were developed through a partnership with Detroit-based Pewabic Pottery.

How to participate

I would like to:	Quantity	Amount
<input type="checkbox"/> Sponsor a Mott patient/ their sibling to make a tile		\$100
<input type="checkbox"/> Sponsor a tile set (group of four tiles made by Mott patients/ siblings with a specialty border)		\$1,000
<input type="checkbox"/> Donate towards tile project		
Total		

- I have a specific Mott patient/ sibling in mind to make a tile.
- Please use my contribution to enable a Mott patient to make a tile.
