

PEDIATRIC INFECTIOUS DISEASES CLINICAL PRIVILEGES

Name: _____

Applicant: Check off the “Requested” box for each privilege requested. Applicants have the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving any doubts related to qualifications for requested privileges.

Service Chief / Department Chair: Check the appropriate box for recommendation on this form. If recommended with conditions or not recommended, provide condition or explanation on the last page of this form.

Other Requirements

- Note that privileges granted may only be exercised at the site(s) and/or setting(s) that have sufficient space, equipment, staffing, and other resources required to support the privilege.
- This document is focused on defining qualifications related to competency to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.

QUALIFICATIONS FOR PEDIATRIC INFECTIOUS DISEASES

Initial Applicants - To be eligible to apply for privileges in pediatric infectious diseases, the initial applicant must meet the following criteria:

Successful completion of an Accreditation Council for Graduate Medical Education (ACGME) or American Osteopathic Association (AOA) accredited residency in pediatrics, followed by successful completion of an accredited fellowship in pediatric infectious disease.

AND

Current subspecialty certification or board eligible (with achievement of certification within five years of completion of training) leading to subspecialty certification in pediatric infectious disease by the American Board of Pediatrics or the American Osteopathic Board of Pediatrics or UMHS approved international equivalent.

AND

Required Current Experience: Demonstrated current competence and evidence of inpatient, outpatient, consultative services to at least twenty-five (25) pediatric patients, reflective of the scope of privileges requested, during the past 12 months or successful completion of an ACGME or AOA accredited residency or clinical fellowship within the past 12 months.

Name: _____

CORE PRIVILEGES – PEDIATRIC INFECTIOUS DISEASES

Applicant: Requested Initial

Requested Renewal

Service Chief/Chair: Recommended

Not Recommended

Admit, evaluate, diagnose, consult, and provide care to children (including newborn and infants), adolescents and young adults, with acute and chronic infectious or suspected infectious or immunologic diseases, underlying diseases that predispose to unusual or severe infections, unclear diagnoses, uncommon diseases and complex or investigational treatments including but are not limited to management of infections caused by virus, fungi, bacteria, or parasites. May provide care to patients in the intensive care setting in conformance with unit policies. Assess, stabilize, and determine disposition of patients with emergent conditions consistent with medical staff policy regarding emergency and consultative call services. The core privileges in this specialty include the procedures on the attached procedure list and such other procedures that are extensions of the same techniques and skills.

Focused Professional Practice Evaluation (FPPE NEW HIRE/NEW PRIVILEGE) guidelines: New physicians will be monitored for an initial ten (10) patients that are a representative mix of pediatric infectious diseases privileges granted. Methods may include direct observation, case review, proctoring, discussions with other medical professionals involved in the care of each patient, and review of patient feedback.

Reappointment (Renewal of Privilege) Requirements - To be eligible to renew privileges in pediatric infectious diseases, the re-applicant must meet the following criteria:

Board certification, board eligibility (with achievement of certification within five years of completion of training), or UMHS approved international equivalent.

AND

Current demonstrated competence and experience with at least fifty (50) inpatient, outpatient, and/or consultative services, reflective of the scope of privileges requested, for the past 24 months based on results of ongoing professional practice evaluation and outcomes.
