

# University of Michigan Sleep Disorders Laboratory – South State Street

## Overview

## Inset

### Driving Instructions

The University of Michigan Sleep Disorders Laboratory – South State Street, is located in the 700 KMS Building. The KMS Building is off State Street, just south of the I-94/State Street Interchange (Exit 177). Immediately after exiting I-94 and going south, turn left onto KMS Place, which is the narrow drive just before the U-Haul rental facility. Patient parking facilities are available directly in front of the laboratory entrance.
