

### *Meal Program for Families and Guests of the Holden NICU*

Custom boxed meals are available to families and guests through the Maternal Child Health Center (MCHC) Room Service Program. These meals are available to breastfeeding moms free of charge, provided an order has been created in the diet order system. For all other family members and guests the cost is \$6, which is charged directly to the patient's hospital bill. Menus are available at the Holden NICU front desk. Orders must be placed by 1:30am. These meals are then delivered daily to the Family Resource Center on the 8th floor at 1:30pm.
