

VACCINE MANDATE TIMELINE

COVID-19 VACCINE

AUG 30 Employees must self-report the following in Wolverine Access:

- Show proof of fully vaccinated
- Show proof of partially vaccinated
- Filed an exemption for religious or medical reasons

Bargained for employees should review the terms of their contracts.

AUG 31 Discipline began for those not compliant with the mandatory COVID-19 vaccine policy, as [outlined here](#).

- Weekly testing required for non-bargained for staff who: are partially vaccinated, in the two week post vaccine waiting period, have an approved exemption, or are waiting review of an exemption request.
- [Community Sampling and Testing Program \(CSTP\)](#) will manage weekly testing at Towsley Auditorium and other campus locations; employees must schedule their appointments.
- Employees not able to access a CSTP site should email COVID-19HR@umich.edu for other testing options.
- Fully remote workers only need to test when coming to a U-M facility.

SEP 8 ResponsiBLUE app will be updated to include vaccination status and weekly testing verification.

A **GREEN** check mark will appear on the home screen for employees who:

- have been verified as fully vaccinated,
- have been partial vaccination or are within the two-week waiting period,
- have submitted an exemption request and are approved or waiting for a decision, or
- are part of a bargaining unit.

Entry to Michigan Medicine facilities will be granted.

A **RED** check mark will appear on the home screen for employees who:

- do not comply with the above criteria,
- do not complete weekly testing within one week.

Entry into the facility will be denied.

SEP 15 Deadline for all bargained for staff, excluding UPAMM and HOA members, to submit a declination form if the employee declines receiving the COVID-19 vaccine.

OCT 1 All medical or religious exemptions or postponements submitted by the August 30 deadline will be reviewed.
