

CURRICULUM VITAE
Sarah Jane Clark, MPH
Research Assistant Professor
Department of Pediatrics and Communicable Diseases
University of Michigan
300 N. Ingalls Street, Room 6E06
Ann Arbor, MI 48109-5456
(734) 615-8145
saclark@umich.edu

EDUCATION

May 1988 B.A. *with honors*, University of North Carolina at Chapel Hill
School of Education, Major: Middle Grades Education

May 1994 M.P.H., University of North Carolina at Chapel Hill
Department of Health Behavior and Health Education
School of Public Health

ACADEMIC APPOINTMENTS

August 1992 – April 1994 Graduate Research Assistant, Cecil G. Sheps Center for Health
Services Research, University of North Carolina at Chapel Hill

May 1994 – June 1998 Research Associate, Cecil G. Sheps Center for Health Services
Research, University of North Carolina at Chapel Hill

August 1998 – May 2005 Research Investigator, Department of Pediatrics and
Communicable Diseases, University of Michigan

May 2005 – present Research Assistant Professor, Department of Pediatrics and
Communicable Diseases, University of Michigan

ADMINISTRATIVE APPOINTMENTS

July 1999 – present Associate Director for Research, Division of General Pediatrics
University of Michigan

July 1999 – present Associate Director for Research, Child Health Evaluation and
Research Unit, University of Michigan

July 2000 – present Associate Program Director, Pediatric Health Services Research
Fellowship Program, University of Michigan

July 2003 – present	Affiliated Faculty, Robert Wood Johnson Clinical Scholars Program, University of Michigan
July 2004 – present	Core Faculty, Resident Research Elective in Health Services Research, Division of General Pediatrics, University of Michigan
August 2007 – present	Associate Director, C.S. Mott Children’s Hospital National Poll on Children’s Health, University of Michigan

RESEARCH INTERESTS

1. Immunization policy at the state and federal level
2. Immunization attitudes and behaviors among providers, patients and parents
3. Medicaid policy and utilization patterns.

GRANT SUPPORT

Principal Investigator: *Payer Policies Related to Circumcision*. Centers for Disease Control and Prevention (subcontract through UM Prevention Research Center). \$30,607 (2008-2009).

Mentor (Yoon, PI): *Variation in Antihypertensive Prescribing Patterns in Children* (1 K23 HL092060-01A1). National Heart, Lung and Blood Institute. \$688,500 (2009-2013).

Co-Principal Investigator: *Vaccination Information Program*. Centers for Disease Control and Prevention/Association for Prevention Teaching and Research. \$900,000 (2008-2011).

Co-Director: *Pediatric and Managed Care Issues – Medicaid*. Department of Community Health, State of Michigan. \$612,246 (2008-2009).

Co-Investigator (Dombkowski, PI): *Assessment of a Claims-Based Method to Identify Children with Asthma for Influenza Vaccination*. Blue Cross Blue Shield of Michigan Foundation. \$107,939 (2007-2009).

Co-Investigator (Freed, PI): *State-Level Perspectives on Immunization Policies, Practices, and Program Financing*. Sabin Vaccine Institute. \$150,000 (2007-2009).

Co-Investigator (Dombkowski, PI): *Improving Childhood Immunization Coverage Using a Statewide Immunization Registry*. Centers for Disease Control and Prevention. \$600,000 (2007-2009).

Co-Investigator (Dombkowski, PI): *Innovations to Improve Parent Contact Information in Immunization Registries*. Centers for Disease Control and Prevention. \$400,000 (2007-2009).

Co-Director: *Pediatric and Managed Care Issues – Medicaid*. Department of Community Health, State of Michigan. \$1,064,546 (2007-2008).

Principal Investigator: *Immunize Kansas Kids*. Kansas Health Institute. \$130,000 (2007-2008).

Mentor (Odetola, PI): *Transfer of Children to Level I Pediatric Intensive Care Units* (1 K23 HD054526-01A1). National Institute of Child Health and Human Development. \$396,900 (2007-2010).

Co-Investigator (Dombkowski, PI): *Enhancing Private Provider Immunization Recall*. Centers for Disease Control and Prevention. \$600,000 (2006-2009).

Principal Investigator: *Assessment of Policies and Practices related to Vaccine Choice*. Partnership for Prevention. \$80,144 (2006-2007).

Co-Director: *Pediatric and Managed Care Issues – Medicaid*. Department of Community Health, State of Michigan. \$1,064,546 (2005-2006).

Associate Director (Freed, PI): *Expansion of Research Infrastructure in General Pediatrics*. Health Services Resource Administration. \$540,000 (2005-2008)

Associate Program Director (Freed, PI): *Pediatric Health Services Training*. National Institute of Child Health and Human Development. \$2,131,951 (2005-2010).

Co-Director: *Pediatric and Managed Care Issues – Medicaid*. Department of Community Health, State of Michigan. \$1,064,546 (2004-2005).

Co-Investigator (Davis, PI): *Summer Workshop in Michigan Medicaid Research*. National Poverty Center. \$10,000 (2005).

Co-Principal Investigator: *Variation in Immunization Practices*. Centers for Disease Control and Prevention/Prevention Research Center. \$1,200,000 (2004-2009).

Mentor (Kemper, PI): *Preschool Vision Screening in Primary Care Settings* (5 K23 EY 014023-01A1). National Eye Institute. \$700,040 (2003-2006).

Co-Investigator (Freed, PI): *State Level Financing of Immunization Purchase*. Institute of Medicine. \$55,000 (2002).

Faculty Advisor (Rushton, PI): *Primary Care Diagnosis and Treatment of Depressed Children* (1 K08 MH 064051-01A1). National Institute of Mental Health. \$102,596 (2002-2003).

Project Director: *UMHS Medicaid Demonstration Project*. Department of Community Health, State of Michigan. \$998,749 (2001-2004).

Co-Investigator (Freed, PI): *Vaccination Issues and Problems*. Centers for Disease Control and Prevention/Association of Teachers of Preventive Medicine. \$993,749 (2001-2004).

Associate Director (Freed, PI): *Pediatric Health Services Research Training* (5 T32 HD007534). National Institute of Child Health and Human Development. \$1,201,637 (2000-2004).

Associate Program Director (Freed, PI): *Expansion of Research Infrastructure in General Pediatrics*. Health Resources and Services Administration. \$793,800 (2000-2003).

Co-Investigator (Beane, PI): *Analysis of Fee-for-Service vs. Managed Care CSHCN*. Agency for Health Care Policy and Research. \$531,912 (1999-2002).

Co-Investigator (Freed, PI): *Pediatric and Managed Care Issues – Medicaid*. Department of Community Health, State of Michigan. \$4,400,000 (1999-2004).

Co-Investigator (Freed, PI): *Evaluating “Seek/Find/Enroll 2000”*. Blue Cross Blue Shield of Michigan Foundation. \$69,697 (1999-2001).

Co-Investigator (Freed, PI): *Assessment of State Immunization Financing Patterns*. Institute of Medicine, National Academy of Sciences. \$32,000 (1999-2000).

Co-Investigator (Freed, PI): *Evaluating “Seek/Find/Enroll”*. Blue Cross Blue Shield of Michigan Foundation. \$138,243 (1999-2000).

Co-Investigator (Freed, PI): *Vaccine Information Program*. Centers for Disease Control and Prevention/Association of Teachers of Preventive Medicine. \$909,906 (1998-2001).

Co-Investigator (Freed, PI): *Patterns and Influences on the Care of Children with Rheumatologic Diseases*. Arthritis Foundation. \$200,000 (1998-2000).

Co-Investigator (Freed, PI): *Assessment of Preventive Care Delivery to the Medicaid Eligible Population*. North Carolina Division of Medical Assistance. \$20,000 (1998).

Co-Investigator/Project Manager (Freed, PI): *Analysis of the Association of Insurance Status and Immunization Status in a Cohort of Children in North Carolina*. Department of Environment, Health, and Natural Resources, State of North Carolina. \$496,944 (1996-1997).

Co-Investigator/Project Manager (Freed, PI): *Do Government Vaccine Programs Affect Child Vaccine Charges and Physician Behavior?* Centers for Disease Control and Prevention. \$533,212 (1994-1996).

Co-Investigator/Project Manager (Konrad, PI): *The Delivery of Childhood Immunization Services in Rural America*. Agency for Health Care Policy and Research. \$248,799 (1994-1996).

Project Manager (Freed, PI): *Improving Physician Breastfeeding Counseling and Support*. National Institute of Child Health and Human Development. \$504,638. (1992-1997).

HONORS AND AWARDS

Telly Award for Outstanding Video Production, “Educating Ourselves about Breastfeeding: A Physician’s Primer.” March 1997.

International Television Association's Silver Reel Award of Excellence for Outstanding Training Video, "Educating Ourselves about Breastfeeding: A Physician's Primer." November 1996.

National Public Health Training Award, UNC-CH School of Public Health, 1992-1993.

PROFESSIONAL AFFILIATIONS

Academic Pediatric Association
Academy Health

PEER-REVIEW SERVICE

2002 – present	Abstract Reviewer, Pediatric Academic Societies annual meeting
2002 – present	Abstract Reviewer, UMHS Department of Pediatrics Annual Research Symposium
2004 – 2005	Session Moderator, Pediatric Academic Societies annual meeting
1997 – present	Manuscript Reviewer, <i>Archives of Pediatric and Adolescent Medicine</i> , <i>American Journal of Public Health</i> , <i>Journal of Pediatrics</i> , <i>Ambulatory Pediatrics/Academic Pediatrics</i> , <i>Health Services Research</i> , <i>Journal of Rural Health</i> , <i>Journal of Health Care for the Poor and Underserved</i> , <i>Health Education & Behavior</i> , <i>Medical Care</i> , <i>Public Health Reports</i> , <i>Journal of Public Health Management & Practice</i> , <i>BMC Health Services Research</i> , <i>Health Affairs</i> , <i>American Journal of Infection Control</i>

TEACHING/MENTORING ACTIVITIES

Fellows in Pediatric Health Services Research

Adriana Bialostozky, 2002-2004
Neal Davis, 2008-2009
Fauziya Hassan, 2004-2006
Leesha Hoilette, 2006-2009
Joyce Lee, 2004-2006
Iris Mabry, 2002-2004
Michelle Macy, 2007-2009
Heather van Mater, 2007-2009
Susan Woolford, 2004-2006
Esther Yoon, 2003-2005

Resident Research Elective in Health Services Research

Souki Adolphe, 2003-2004
Guillermo Diaz, 2003-2004

Leesha Hoilette, 2004-05
Alicia Nero, 2005-2006
Kimberly Stringer, 2007-08

Undergraduate Research Opportunities Program

Annissaa Spratt, 1999-2000
Nevila Pahumi, 2003-2004

COMMITTEE SERVICE

July 1999 – present	Leadership Committee, Division of General Pediatrics, University of Michigan
March 2001 – present	Scientific Member, University of Michigan Medical School Institutional Review Board (IRBMED)
July 2001 – present	Core Faculty Committee, Child Health Evaluation and Research (CHEAR) Unit, University of Michigan
July 2002 – present	Research Advisory Committee, Department of Pediatrics, University of Michigan
April 2005	Division of Immunization Strategic Planning Initiative, Michigan Department of Community Health
December 2007	Lean Thinking Team, Research Subject Incentive Payments, University of Michigan
May 2007 – present	Long-Term Future of Medicaid Subcommittee of the Medical Care Advisory Committee, Michigan Department of Community Health
May 2007 – August 2008	State Advisory Committee, Assuring Better Child Development, Michigan Department of Community Health
May 2007 – present	Evaluation Committee, Michigan’s Integrated Community System of Care for Children and Youth with Special Health Care Needs, Michigan Department of Community Health

INVITED PRESENTATIONS

Effectiveness of community-based outreach: results of the Seek/Find/Enroll project. Blue Cross Blue Shield of Michigan Foundation Grantees Conference, Ann Arbor, MI, April 14, 2000.

Healthy Kids Dental demonstration project: impact after 12 months. Michigan Department of Community Health/Medical Services Administration, Lansing, MI, March 16, 2001.

Assessing the Adequacy of Research Protections in Studies involving Children. Pediatric Resident Evidence-Based Medicine Club. University of Michigan, December 17, 2001.

Medicaid-enrolled children's use of emergency departments for non-urgent care. Clinical Advisory Committee of the Medicaid Qualified Health Plans, Okemos, MI, July 24, 2002.

Provider preferences for a new immunization catch-up schedule. Workgroup of the Advisory Committee on Immunization Practices, Atlanta, GA. September 5, 2002.

Smallpox preparedness activities: feedback from hospitals and physicians. National Immunization Program/Bioterrorism Preparedness Program, Centers for Disease Control and Prevention, Atlanta, GA, September 3, 2003.

Parental experiences and opinions regarding school and health care services for children with ADHD. Washtenaw Intermediate School District, Ann Arbor, MI, October 28, 2003.

Human subjects issues for research involving children. Pediatric Residency Program, University of Michigan, January 22, 2004.

Evaluating Medicaid policies and practices. Michigan Department of Community, Lansing Health MI, May 10, 2005.

Community impact of immunization research. Prevention Research Center State Advisory Board, Lansing MI, June 1, 2005.

An update on lead testing. Clinical Advisory Committee of the Medicaid Qualified Health Plans, Okemos, MI, July 27, 2005.

Research with children. Internal Medicine 608 Seminar on Special Populations. University of Michigan, October 16, 2006.

Ethical considerations in clinical research with children. Eastern Michigan University Clinical Research Certificate Program. Brighton, Michigan, October 17, 2006.

Preferences for the childhood immunization schedule: results of focus groups with immunization providers. US Advisory Committee on Immunization Practices, Atlanta, GA, October 25, 2006.

Opportunities in child health services research. University of Michigan School of Nursing, January 15, 2007.

Private-sector immunization financing issues. Association of Immunization Program Managers, New Orleans, LA, November 20, 2008.

Assessing risks and benefits in research with children. Internal Medicine 608 Seminar on Special Populations. University of Michigan, February 16, 2009.

Access to specialty care for Michigan children enrolled in Medicaid. Michigan Chapter of the American Academy of Pediatrics. Lansing, MI, March 3, 2009.
