Nursing Home Long Term Care: Consumer Resources

Choosing a Michigan Nursing Home Guide – publication from the Michigan Attorney General’s Office Senior Brigade at http://www.seniorbrigade.com/health_care/nursing_home.php

The Patient’s Advocate’s Guide –go to www.jimschuster.com Helpful information on understanding Medicaid eligibility, nursing home resident’s responsibilities and rights and legal issues.

Nursing Home Compare at <http://www.medicare.gov/NHCompare/home.asp>

Provides detailed information about the past performance of all Medicare and Medicaid certified nursing homes in the Washtenaw country and elsewhere. Also has guides (Choosing a Nursing Home and a Nursing Home Checklist).

Ombudsman Office Longshore Legal Aid at 1-866-485-9393

This program was created to help address the quality of care and quality of life experienced by residents who reside in licensed long term care facilities such as nursing homes, homes for the aged, and adult foster care facilities. There is no fee. Services include investigating complaints, suggesting remedies, and assisting with resident rights, payments, issues, guardianship, and nursing home placement.

Medicaid Eligibility Your eligibility is determined by both your medical and financial need. Go to http://www.michigan.gov/documents/AttachA_NF_LOC_Criteria_Form-WEB-BLANK_107510_7.pdf for the **Michigan Medicaid Nursing Facility Level of Care Determination**. This official document is used to assess medical need. In general, Medicaid pays when your income is less than the cost of nursing home care and you meet medical eligibility. For information on the rules and regulations, make the following contacts:

Apply to the **Department of Human Services**, 22 Center Street, Ypsilanti, MI. (734-481-8000) for eligibility determination. Intake hours are between 8:00 -11 AM. Call the **Medicare/ Medicaid Assistance Program** at 734 712-3625 for counseling. For a list of nursing home outside of Washtenaw County, call the **Area Agency on Aging** 1B at 800-852-779.

Annual State Survey Each nursing home facility must post this report and make it available to the public. Surveys reports (Form CMS 2567) describe in detail any regulations not met and gives examples of why they are not met.

NURSING HOME CARE: DIFFERENCE BETWEEN SKILLED AND BASIC CARE

If someone is unable to care for themselves due to physical, emotional, or mental conditions and when family caregivers cannot provide adequate care, a nursing home is appropriate.

Comparing Skilled (Subacute Care) and Basic Care

	Skilled Medical/ Subacute Care	Custodial/ Basic Care
	Provides rehabilitation by skilled therapists and licensed nurses for a limited period following an illness or injury	Provides long-term care for people who are unable to recover from an illness or injury
Payment Source	Medicare (Part A) Private Insurance	Private pay, Long Term Care Insurance & Medicaid
Maximum Stay	100 days (average stay 21-30 days)	No limit
Goal(s)	Provides rehabilitation Finish medical treatments. Go home	Provides a home with 24/7 care
Admission	After hospital stay -the family may give their preferences for a nursing home; however, the final determination is based on opening in an area nursing home	Can be admitted from home, an assisted living or hospital per doctor's report on physical and mental functional ability
Physician Contact	Frequent visits and close medical supervision	Once a month and occasionally more often
Medical Treatment	-Medical treatments follow and complete hospital discharge plans -If, needed frequent blood tests and x-rays -Usually rehabilitation services such as physical therapy, occupational therapy and speech therapy	-Medical management by primary care doctor or nursing home doctor -Care includes extensive help with activities of daily living, such as, bathing, toileting, feeding, dressing, medication, skin care and walking. -Occasional blood tests and x-rays -No routine therapy

Evangelical Home-Saline is in the Evangelical Homes of Michigan services family. We offer many services and solutions. We offer a short-term rehabilitation solution for individuals needing therapy services after an injury or illness. Our rehabilitation therapy assists individuals in the recovery process before they return back to home. Our long-term care solution is available for those facing a wide variety of medical concerns that require the medical and nursing services provided by a residential care facility. Many residents needing long-term care require 24-hour monitoring, extensive personal assistance, and nursing care because of illness or limitations.

Our skilled nursing communities provide the best possible care for every resident: physically, spiritually and emotionally. Honoring the individual, this holistic approach ensures our residents remain as engaged and active as they are able while they receive the care they need. Our interdisciplinary team provides the care and support needed with each resident to determine how best to help regain lost abilities and strength. Each resident receives a personalized Treatment Plan unique to his or her needs. The foundation of this Treatment Plan is the professional clinical specialist and physician.

Services offer includes Long Term Care & Skilled Nursing, Short Term Rehabilitation, Memory Care, Hospice Care and Respite.
