

Follow Up: COVID-19 Resurgence Webinar

ICU Management & Treatment of COVID 19 Patients

Mi-COVID 19
INITIATIVE

A JOINT CQI VENTURE

The goal of this follow-up webinar is to continue the discussions around best practices of the treatment and management of COVID-19 patients in the midst of this resurgence. This is an effort to collaborate with stakeholders and experts from multiple disciplines to provide education, outreach, and support to hospitals across the state of Michigan.

Webinar Panelists:

Michigan Medicine

Robert Hyzy, MD
Professor of Medicine
Medical Director
Critical Care Medicine

Bonnie Wang, MD
Assistant Professor
Pulmonary Critical Care

Spectrum Health

Maximiliano Tamae Kakazu, MD
Assistant Professor
Pulmonary Critical Care
