Request for MTU Visit

The **MTU** is an outreach service provided by Survival Flight to answer the training needs of state wide community agencies in obtaining needed hands on emergency field training to enhance First Responder skills using human patient simulators.

This completed form serves as a request to receive training from the Survival Flight **Mobile Training Unit**. Complete & return it so that we may plan your training visit. CEU's available

Agency: _____ Contact Person: _____

Primary # _____ Secondary: _____

E-mail: _____

What night/day do you normally train on? _____ Time: _____

Are you willing to train on another night/day? No ___ Yes ___

Your agency may be eligible for MTU training up to three times per year. Please tell us which months work best for you. We will contact you to set up a specific day and time.

The months that work best are:
