

Transplant Team Assistance Fund

A fund has been created by the University of Michigan to honor the lives of the six Survival Flight crew members who died June 4 in a plane crash while on a mission to retrieve organs for transplant into a patient at U-M. These courageous team members devoted their lives to helping others, and we honor and remember their tremendous contributions to our Health System with a fund that will provide assistance to their families.

If you would like to make a gift, please follow the simple steps below.
