The Second Chance at Life Golf Outing

The Fourth Annual Second Chance at Life Golf Outing will take place on Sunday, July 13, 2008 at Woodlands of Van Buren Golf Course in Wayne, Michigan. All proceeds from the event will benefit the University of Michigan Transplant Center and its lifesaving mission of transplantation and public education about the importance of organ and tissue donation.

Format and Prizes
Each team of four will play a best ball scramble format. Prizes will be awarded to the team with the lowest score and other prizes will be distributed on a lottery basis. Special contests will be held on various holes with prizes awarded to the winners.

About the Second Chance at Life Committee and Events
The Second Chance at Life Committee began its fundraising for the Transplant Center with the first ever walk at Hines Park in 2001. The walk is now in its eighth year and is planned for August 2, 2008. The success of the walk encouraged the committee to create more events which this year include a bowling event in June and the Second Chance at Life Golf Outing on July 13. Funds raised at these events benefit the Transplant Center in many ways. Well over $150,000 has been raised thus far, helping to fund the creation of new patient educational materials, the Center’s patient emergency fund and organ and tissue donation awareness efforts.

The University of Michigan is a 501(c)3 nonprofit organization, tax ID number 38-6006309.
