Everything locks in with careful spacing on a circular grid. On a Google image search, look how many use the same curvy road found in the sample you sent. Instead of a vertical curvy road, this one is horizontal. I like the treatment of the fork in the road with two different end points.

1. What is FMLA?
2. Identify FMLA need
3. Eligibility
4. FMLA certification submission
5. HRSC review for approval

REST AREA
- FMLA tracking guidelines
- Return to work expectations
