## Education

- Sept 1989 – June 1993 B.S. *With Distinction and Honors* in *Biochemistry*, Indiana University, Bloomington, IN (1991 – 1993, Research Associate with Lee Todd, Ph.D.)
- Sept 1993 – June 1997 M.D., Indiana University, Indianapolis, IN (1994, Research Fellow with Robert Hromas, M.D.)
- July 2003 – June 2005 M.S. in *Clinical Research and Statistical Analyses*, The Horace H. Rackham School of Graduate Studies, University of Michigan, Ann Arbor, MI,

## Postdoctoral Training

- July 1997 – June 1998 Surgery Internship, University of Michigan, Ann Arbor, MI
- July 1998 – June 2003 Urology Residency, University of Michigan, Ann Arbor, MI (2000-2001, Research Fellow with Martin Sanda, M.D.)
- July 2002 – June 2003 Chief Resident in Urology, University of Michigan, Ann Arbor, MI
- July 2003 – June 2005 Fellow, Laparoscopic Urologic Oncology, University of Michigan, Ann Arbor, MI
- 2003 – 2004 Fellow, Urologic Oncology (Mentor: James E. Montie, M.D.)
- 2004 – 2005 Fellow, Laparoscopy (Mentor: J. Stuart Wolf, Jr., M.D.)

## Certification and Licensure

Medical Licensure: Michigan 4301069833

## Academic Appointments

- July 2003 – June 2005 Clinical Lecturer, Department of Urology, University of Michigan, Ann Arbor, MI
- July 2005 – present Assistant Professor of Urology, Department of Urology, University of Michigan, Ann Arbor, MI

## Research Interests

Health Services Research, Quality of Cancer Care

## Grant Support

- 2003 – 2004 Co-Principal Investigator (Underwood): *Improving Bladder Cancer Care for the Geriatric Population through Risk Adjustment*, \$25,000, American Society of Clinical Oncology / Hartford Foundation Geriatric Pilot Grant
- 2003 – 2004 Trainee: Southwest Oncology Group Urologic Oncology Fellowship, \$50,000
- 2003 – 2005 Trainee: *Improving Bladder Cancer Care through Risk Adjustment*, \$40,251, University of Michigan Training Program in Clinical Research, National Institutes of Health (K30 HL004108)
- 2004 – 2005 Principal Investigator: *Construction and Validation of a Psychometric Tool to Measure Convalescence Following Abdomino-pelvic Surgery*, \$60,000, George M. O'Brien Urology Research Center Career Development Award, National Institutes of Health (1 P50 DK065313-01)
- 2005 – 2006 Principal Investigator: *Identifying high leverage structure and process measures to improve urologic cancer care*, \$25,000, John and Suzanne Munn Endowed Research Fund of the University of Michigan Comprehensive Cancer Center
- 2005 – 2007 Principal Investigator: Clinical Sciences Scholars Program Recipient, the University of Michigan, \$200,000
- 2005 – 2007 Principal Investigator: *Construction and Validation of a Psychometric Tool to Measure Convalescence Following Abdomino-pelvic Surgery*, \$64,000, National Institutes of Health Loan Repayment Program
- 2007 – 2008 Co-investigator (Shahinian): *GnRH Agonists for Prostate Cancer: Role of the Urologist*, \$353,490. National Institutes of Health (7 R01 CA116758-03)
- 2007 – 2009 Principal Investigator: *Identifying Best Practices for Managing Superficial Bladder Cancer*, \$52,833, National Institutes of Health Loan Repayment Program
- 2007 – 2011 Principal Investigator: *Identifying Best Practices for Managing Superficial Bladder Cancer*, \$725,000, American Cancer Society (MSRG-07-006-01-CPHPS)
- 2007 – 2011 Principal Investigator: *Identifying Best Practices for Managing Superficial Bladder Cancer*, \$199,000, American Urological Association Foundation and Astellas Pharma, US
- 2007 – 2011 Principal Investigator: *Identifying Best Practices for Managing Superficial Bladder Cancer*, \$675,278, National Cancer Institute (1K07CA124534-01), funded and withdrawn due to overlap
- 2008 – 2010 Principal Investigator: *Medical Expulsive Therapy for Urolithiasis: Practice Patterns and Clinical Effectiveness*, \$60,000, PhRMA Foundation

## Honors and Awards

- 1989 – 1993 Indiana University Honors Division Scholarship
- 1992 Indiana University Department of Chemistry Research Award
- 1993 Phi Beta Kappa
- 1993 Graduate with Distinction and Honors in Biochemistry
- 1993 – 1996 Dr. Calvin H. and Mary Tower English Scholarship
- 1994 Indiana University Department of Physiology Research Award
- 1995 Dr. Calvin H. and Mary Tower English Award for Research Excellence
- 1996 Alpha Omega Alpha
- 2002 Hamil-Bergman Memorial Scholarship Award
- 2003 Michigan Urologic Society Resident's Day Competition, First Place
- 2003 Pfizer Scholars in Urology
- 2004 Southwest Oncology Group Urologic Oncology Fellowship
- 2005 Clinical Sciences Scholars Program, University of Michigan, Ann Arbor, MI
- 2005 – 2007 National Institutes of Health Loan Repayment Program Award
- 2007 – 2009 National Institutes of Health Loan Repayment Program Award, Competing Renewal
- 2007 – 2011 American Urological Association Foundation Research Scholar

## **Membership in Professional Societies**

### ***Society memberships***

- 1997 – present American Medical Association
- 1999 – present American Urological Association, Associate Member
- 1999 – present American College of Surgeons, Candidate Member
- 1999 – present Endourological Society, Candidate Member
- 2003 – present North Central Section of the American Urological Association, Associate Member
- 2005 – present Society of Laparoendoscopic Surgeons
- 2005 – present Michigan Urological Society
- 2006 – present Surgical Outcomes Club of the American College of Surgeons

## **Editorial Positions, Boards, and Peer-Reviewed Service**

### ***Reviewer***

- Journal of Urology
- Quality of Life Research
- Urology
- Journal of Clinical Oncology
- Urologic Oncology: Seminars and Original Investigations
- Cancer
- British Journal of Urology International
- European Urology
- Urological Research
- Expert Opinion on Pharmacotherapy
- JAMA

## **Teaching Activities**

2003 – present Full-time Faculty, Department of Urology, University of Michigan

## Committee, Organizational, and Volunteer Service

### *National*

2007 American Urological Association Antibiotic Prophylaxis Best Practice Policy Panel

2007 – present Health Professionals Council, National Quality Forum

## Invited Presentations

### *2004*

1. Invited Presentation: Aggressive treatment for bladder cancer in the octogenarian: Feasible but necessary?  
**Michigan Urological Association**, January 2004, Livonia, MI
2. Invited Presentation: Quality of care: Cystectomy utilization patterns and implications for appropriateness of care. **Reed Nesbit Society**, October 2004, Ann Arbor, MI
3. Invited Presentation: Risk adjustment for bladder cancer surgery: Steps toward measuring quality of care. **Genitourinary Oncology Conference**, November 2004, Ann Arbor, MI

### *2005*

1. Invited Presentation: Contemporary management of localized prostate cancer. **Cancer Update 2005**, July 2005, Bay Harbor, MI
2. Invited Presentation: Adjuvant and salvage therapies following localized prostate cancer treatment. **Cancer Update 2005**, July 2005, Bay Harbor, MI
3. Invited Presentation: Small Renal Masses: *Variation in Physician Practice Styles and Implications on Quality of Care*. **Michigan Urological Association**, October 2005, Livonia, MI
4. Invited Presentation: Physician Practice Style: *The Implications for Quality of Care*. **Reed Nesbit Society**. November 2005, Ann Arbor, MI
5. Invited Presentation: Quantifying the public health impact of hospital volume on outcomes following cancer surgery. **Young Urologic Oncologist's Forum of the Society of Urologic Oncology**. December 2005, Bethesda, MD

### *2006*

1. Invited Presentation: Is more health care better health care? **Great Lakes Urology 2006**. March 2006, Novi, MI
2. Invited Presentation: Getting "Under the Hood" of the Relationship between Volume and Outcome. **Reed Nesbit Society**. November 2006, Ann Arbor, MI

### *2007*

1. Invited Presentation: SEER-Medicare and Administrative Data: *The Quality of Cancer Care*. **The RAND Corporation**, January 3, 2007, Santa Monica, CA
2. Invited Presentation: Surgical Therapy for Prostate Cancer. **Department of Radiation Oncology**, March 2007, Ann Arbor, MI

3. Invited Presentation: New Surgical Approaches for Prostate Cancer. **Qatar National Cancer Society**, May 1, 2007, Doha, Qatar
4. Invited Presentation: Neoadjuvant Chemotherapy for Muscle-Invasive Bladder Cancer. **Bladder Cancer Support Group**, May 6, 2007, Ann Arbor, MI
5. Invited Presentation: Prostate Cancer: Screening, Detection, and the Potential for Overtreatment. **29<sup>th</sup> Annual Family Practice Intensive Review Course (Pre-Conference II)**, May 31, 2007, Little Rock, AK

### *Visiting Professor*

6. Improving the Quality of Cancer Care. **Department of Urology, the University of Arkansas for Medical Sciences**, May 2007, Little Rock, AK
7. Neoadjuvant Chemotherapy for Muscle-Invasive Bladder Cancer. **Department of Urology, the University of Arkansas for Medical Sciences**, May 2007, Little Rock, AK
8. Novel Therapies for Prostate Cancer. **Department of Urology, the University of Arkansas for Medical Sciences**, May 2007, Little Rock, AK
9. Invited Presentation: Localized Prostate Cancer: *Detection, Treatment and the Potential for Overtreatment*. **Cancer Update 2007**, July 2007, Bay Harbor, MI
10. Invited Presentation: Quality of Care: *Moving Beyond Measurement*. **American Urological Association Summer Research Conference**, August 2-4, 2007, Los Angeles, CA
11. Invited Presentation: Alternative Methods for Analyzing Observational Data. **Urology Health Services Research Group**, October 3, 2007, Ann Arbor, MI
12. Invited Presentation: Instrumental Variables: *Dealing with Unmeasured Confounding in Observational Studies of Treatment Effects*. **Surgical Outcomes Club of the American College of Surgeons**, October 7, New Orleans, LA
13. Extramural Teaching Event: Getting a Career Development Award: *Identifying Best Practices for Managing Superficial Bladder Cancer*. **American Cancer Society Career Development Conference for Beginning Investigators in Applied and Clinical Research**, November 15, Orlando, FL

## **Bibliography**

### *Publications in Peer-Reviewed Journals*

1. **Hollenbeck, BK**, Spencer, SL, and Faerber, GJ. Use of a working-channel catheter during flexible ureteroscopic laser lithotripsy. *J Urol* 163: 1808-1809, 2000.
2. **Hollenbeck, BK**, Bassily, N, Wei, JT, *et al.* Whole mounted radical prostatectomy specimens do not increase detection of adverse pathological features. *J Urol* 164: 1583-1586, 2000.
3. Schuster, TG, **Hollenbeck, BK**, Kauffman, CA, *et al.* Testicular Histoplasmosis—a case report. *J Urol* **164**: 1652, 2000.
4. **Hollenbeck, BK**, Schuster, TG, Faerber, GJ, *et al.* Routine placement of ureteral stents is unnecessary following ureteroscopy for urinary calculi. *Urology* 57: 639-643, 2001.
5. **Hollenbeck, BK** and Wolf, JS, Jr. Laparoscopic partial nephrectomy. *Semin Urol Oncol* 19: 123-132, 2001.
6. Schuster, TG, **Hollenbeck, BK**, Faerber, GJ, *et al.* Complications of ureteroscopy: analysis of predictive factors. *J Urol* 166: 538-540, 2001.
7. **Hollenbeck, BK**, Schuster, TG, Faerber, GJ, *et al.* Comparison of outcomes of ureteroscopy for ureteral calculi located above and below the pelvic brim. *Urology* 58: 351-355, 2001.

8. **Hollenbeck, BK**, Schuster, TG, Faerber, GJ, *et al.* Flexible ureteroscopy in conjunction with in-situ lithotripsy for lower pole calculi. *Urology* 58: 859-863, 2001.
9. **Hollenbeck, BK**, Lipp, ER, Hayward, RA, *et al.* Concurrent assessment of obstructive/irritative urinary symptoms and incontinence after radical prostatectomy. *Urology* 59: 389-393, 2002.
10. **Hollenbeck, BK**, Dunn, RL, Wei, JT, *et al.* Neoadjuvant hormonal therapy and older age are associated with adverse sexual health-related quality-of-life outcome after prostate brachytherapy. *Urology* 59: 480-484, 2002.
11. Schuster, TG, **Hollenbeck, BK**, Faerber, GJ, *et al.* Ureteroscopy for lower pole calculi: A comparison of two methods. *J Urol* 168: 43-45, 2002.
12. Miller, DC, **Hollenbeck, BK**, Smith, GD, *et al.* Processed total motile sperm count correlates with clinical pregnancy outcome following intrauterine insemination. *Urology* 60: 497-501, 2002.
13. Dash, AD, Schuster, TG, **Hollenbeck, BK**, *et al.* Ureteroscopy for urinary calculus disease in morbidly obese patients. *Urology* 60: 393-397, 2002.
14. **Hollenbeck, BK**, Miller, DC, and Ohl, DA. The utility of lockout valve reservoirs in preventing autoinflation in penile prostheses. *Int Urol Nephrol* 34: 379-383, 2002.
15. **Hollenbeck, BK**, Schuster, TG, Faerber, GJ, *et al.* Identifying patients who are suitable for stentless ureteroscopy following treatment for urolithiasis. *J Urol* 170: 103-106, 2003.
16. **Hollenbeck, BK**, Schuster, TG, Faerber, GJ, *et al.* Safety and efficacy of same-session bilateral and multiple unilateral ureteroscopy. *J Endourol* 17: 881-885, 2003.
17. **Hollenbeck, BK**, Dunn, RL, Wei, JT, *et al.* Determinants of long-term sexual HRQOL after radical prostatectomy measured by a validated instrument. *J Urol* 169: 1453-1457, 2003.
18. **Hollenbeck, BK**, Seifman, BD, Wolf, J S, Jr. Clinical Skills Acquisition for Hand-Assisted Laparoscopic Donor Nephrectomy. *J Urol* 171: 35-39, 2004.
19. Fisher, PC, **Hollenbeck, BK**, Montgomery, JS, *et al.* Inguinal bladder hernia masking bowel ischemia. *Urology* 63: 175-176, 2004.
20. **Hollenbeck, BK**, Wei, JT, Sandler, HM, *et al.* Neoadjuvant Hormone Therapy Impairs Sexual Outcome After External Beam Radiotherapy For Localized Prostate Cancer. *Urology* 64: 946-950, 2004.
21. **Hollenbeck, BK**, Miller, DC, Dunn, RL, *et al.* Aggressive Treatment for Bladder Cancer Is Associated with Improved Overall survival Among Patients 80 Years and Older. *Urology* 64: 292-297, 2004.
22. Seifman, BD, **Hollenbeck, BK**, and Wolf, JS, Jr. Laparoscopic nephron-sparing surgery for a renal mass: One year minimum follow-up. *J Endourol* 18: 783-786, 2004.
