

“The Men’s Event” has raised more than \$340,000 for the U-M Prostate Cancer Research Program since its inception. This event brings together a prestigious group of businessmen, community leaders, friends and families to enjoy an evening of fabulous food, fine wine and good fellowship in an upscale dinner setting while raising funds to support the battle against this dreaded disease. The ticket price of \$300 for one or a pair of tickets for \$500 includes an unlimited bar, hors d’oeuvres, and a prime steak dinner. There will also be a presentation on current research and treatment of prostate cancer.

PROSTATE CANCER RESEARCH

Prostate Cancer Research at the University of Michigan is guided by one common mission: to find a cure. As one of the premier centers in the nation, U-M brings together the insights and unique perspectives of world-class medical professionals from many disciplines, fostering innovation through collaboration, which results in major advances in the diagnosis, treatment and prognosis of prostate cancer. Our physicians and scientists are committed to improving the quality of care and patient outcomes.

Fleming's Prime Steakhouse & Wine Bar is the ultimate steakhouse destination for people seeking a stylish, lively and contemporary dining experience. Renowned for its superb prime beef, Fleming's is equally famous for its unparalleled wine selection, which features 100 wines by-the-glass every night. Founded on the premise that a steakhouse should be the affordable domain of business men and women as well as pleasure diners, Fleming's is known for its warm and inviting ambiance, and its gracious and knowledgeable yet unobtrusive service.

Each person attending will receive a gift for generously supporting the U-M Prostate Cancer Research Program.
