

Local Community Volunteer Opportunities

Thank you for inquiring about volunteering at The University of Michigan Health System (UMHS). At this time, all our volunteer placements have been filled. Please visit our website for information about future opportunities and the schedule for interviews and orientations: www.med.umich.edu/volunteer.

If you are interested in volunteering elsewhere in the community, we have included a short list of numerous other local organizations. We do not know what opportunities they may currently have available, but we include this list as a courtesy:
