

Pulmonary Hypertension Support Group

For Patients & Families

Why should I attend a support group?

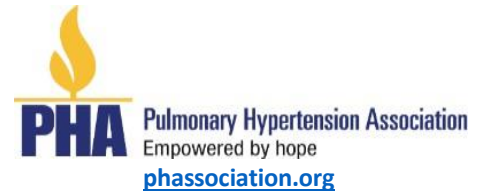

Join this monthly support call to connect with other patients and discuss struggles and triumphs, and to receive support and advice from other PH patients. You are not alone!

Open to all PH patients and family whether or not you're a patient at Michigan Medicine.

Our mission

To help PH patients connect, learn, and foster hope and positivity.

Additional details

- No fees associated.
- In person option available.
- Meeting information will be sent to your email the day before.
- Caregivers, family, and friends are welcome to join!
