

Breast Cancer Resources

There are many breast cancer resources in the metro Detroit, Ann Arbor, and Flint areas that offer support services, educational materials, screening programs, and community outreach programs. Most of these organizations are not directly connected with Rogel Cancer Center. Local nonprofits, health departments, and advocacy groups provide important services to meet the diverse needs of patients, survivors, and families in these communities.

Michigan Medicine Cancer Answer Line: 1-800-865-1125
