

M | ADMINISTRATIVE FELLOWSHIP

Michigan Medicine Administrative Fellowship Executive Leadership Team

Matthew C. Comstock, M.B.A., M.H.S.A.

Executive Director for Administration

Chief Operating Officer

University of Michigan Medical School

Matthew C. Comstock, MBA, MHSA, serves as the executive director for administration and chief operating officer in the Medical School. He is responsible for planning, organizing, evaluating and monitoring administrative and financial functions to ensure that the academic and administrative needs of the Medical School are addressed. This includes implementing the strategic direction and ensuring the appropriate resources and support are made available to carry out the school's tripartite mission.

He earned both his BBA and MBA, with high distinction, from the U-M Stephen M. Ross School of Business, and his Master of Health Service Administration from the U-M School of Public Health (SPH). Mr. Comstock is responsible for overseeing the school's \$1.8 billion all-funds total financial budget, financial planning and analysis, and capital planning. He is the point of contact in the Dean's Office for all department, center and institute administrators. He serves on multiple leadership committees, including the dean's cabinet and FGP board of directors, and chairs the school's senior administrative staff groups.

Prior to his current role, he served in multiple finance and strategic roles within the U-M Health System, including most recently as the Medical School's senior finance executive. He began his University career in 2000 at the Center for Health Care Economics at the Ross School of Business. He also is a lecturer in the SPH Health Management and Policy Department.

T. Anthony Denton, J.D., M.H.S.A.

Senior Vice President & Chief Environmental, Social and Governance Officer

University of Michigan Health

Tony Denton joined the University of Michigan in 1981 as an Administrative Fellow in Academic Health Center Administration, leading to a series of progressively responsible roles in Human Resources, Operations and Senior Executive positions for UM-Health. He was appointed as Executive Director of University Hospitals and Chief Operating Officer in 2004. He served as Acting CEO in addition to being Senior Associate Director and COO from June 2014-December 2015. On January 1, 2016, Tony was appointed Senior Vice-President and Chief Operating Officer of University of Michigan Health System

-Michigan Medicine.

Effective March 1, 2023, Tony assumed new leadership responsibilities and now serves as Senior Vice-President and Chief Environmental, Social and Governance Officer for UM-Health/Michigan Medicine, seeking to positively impact environmental sustainability, planetary health and to reduce impacts of social

determinants of health and inequities on individuals and communities. Tony is also the UM-Health senior executive responsible for master campus planning, implementation of strategic facility/program investments and community health outreach services.

Tony serves as an enterprise leader and member on a variety of executive forums for UM-Health, Michigan Medicine and the University of Michigan.

Tony has been and remains active on state, regional and national boards in the health care industry, including a five-year term as Commissioner on the Board of the Joint Commission. Tony is currently on the executive committee and serves as Chairman of the Michigan Health & Hospital Association Board of Trustees. He is also a member of the American Hospital Association's Regional Policy Board 5. Tony has served on the executive board for Vizient, a total health performance improvement organization. He also serves as Co-Chairperson of the Board for the Center for Health Research and Transformation.

Tony is a servant leader and invests in community in many ways. He served as co-chair of the University of Michigan's United Way Campaign for Washtenaw County for 7 years. He recently completed a 3-year appointment on the United Way Washtenaw County Board of Directors. Tony is also a board member of Food Gatherers, a county-based food rescue organization and recently initiated a "Million Meals Mission" to address food insecurity. In addition, he is a passionate advocate for the American Heart Association, an executive sponsor of initiatives to support the Juvenile Diabetes Research Foundation and The Education Project for Homeless Youth. Tony also recently completed a 3-year term on the board for the Ann Arbor Summer Festival.

Tony believes in mentorship and has been a sponsor of the University of Michigan's School of Public Health Summer Enrichment program for many years. He also serves as a lead preceptor for Michigan Medicine's Administrative Fellowship Program.

Tony obtained his bachelor's degree from Northwestern University, a master's degree in Health Services Administration from UM School of Public Health, and a law degree from the University of Detroit Mercy School of Law.

Charles B. Reuland, M.H.S., Sc.D.
Chief Operations Integration Officer
University of Michigan Health

Dr. Charles (Charlie) Reuland is currently the Chief Operations Integration Officer at University of Michigan Health, a role he assumed in January 2023. In this capacity he is responsible and accountable for all aspects of operations across University of Michigan Health, with direct responsibility for the Children & Women's Hospital, University Hospital, Frankel Cardiovascular Center, Ambulatory Care, Ancillary Services, Pharmacy Operations, and assures appropriate integration and operational oversight for external affiliations, including University of Michigan Health West and Sparrow Health System, both of which are wholly owned by UM-H.

Prior to assuming this position, Dr. Reuland served as the Executive Vice President and Chief Operating Officer at the Johns Hopkins Hospital, where he provided leadership for the executive team relating to all hospital operations and advancing the ongoing program development and integration within the hospital and beyond.

He also previously served as the Chief Operating Officer at the Johns Hopkins Bayview Medical Center, the second largest hospital in the Johns Hopkins Health System from 2007 through 2016. Prior to 2007, Dr. Reuland worked as the Chief Administrative Officer for the Department of Medicine at the Johns Hopkins University School of Medicine and the Johns Hopkins Hospital, a position he held for 8+ years. Dr. Reuland also has experience in Managed Care Contracting, the Department of Surgery at the Johns Hopkins Hospital, and in Social Work and Patient Relations.

He received his undergraduate degree from the University of Michigan, a master's degree in health, Policy and Management from Johns Hopkins University Bloomberg School of Public Health and later his Doctor of Science degree in Health, Policy and Management at Johns Hopkins University Bloomberg School of Public Health.

Dr. Reuland has served as a consultant to other major academic medical centers, has served as an author and reviewer of publications, and continues to serve on leadership committees for the Maryland Hospital Association and the American Hospital Association. Dr. Reuland currently serves as the Chair of the Board of Directors for the United Way of Central Maryland.
