

# Venous Disease

## INFORMATION GUIDE

### Other names:

- Varicose Veins
- Reticular Veins
- Chronic Venous Insufficiency (CVI)
- Spider Veins
- Thrombophlebitis
- Deep Vein Thrombosis (DVT)
- Pulmonary Embolism (PE)
- Venous Thromboembolism
- May-Thurner Syndrome
- Inferior Vena Cava Abnormalities

### Treatment names:

- Sclerotherapy
- Open Phlebectomy
- Venous Ablation
- Powered (TRIVEX) Phlebectomy
- Thrombolysis
- Perforator Treatment

The purpose of this guide is to help patients and families find sources of information and support. This list is not meant to be comprehensive, but rather to provide starting points for information seeking. The resources may be obtained at the Mardigian Wellness Resource Center located off the Atrium on Floor 2 of the Cardiovascular Center. Visit our website at

<http://www.umcvc.org/mardigian-wellness-resource-center>

and online Information guides at <http://infoguides.med.umich.edu/home>

### Michigan Medicine Resources

- **Michigan Medicine Vascular and Interventional Radiology**  
<http://www.uofmhealth.org/medical-services/vascular-and-interventional-radiology>

# Venous Disease

## INFORMATION GUIDE

Vascular and interventional radiology is a cutting-edge medical specialty that encompasses image-guided minimally invasive procedures which minimize hospital stays and patient recovery time.

- **Michigan Medicine Venous Disease**

<https://www.umcvc.org/conditions-treatments/venous-disease>

Provides information about specific vascular conditions and treatments.

- **Tobacco Consultation Service**

Group and individual quit-smoking programs.

For more information access:

<http://hr.umich.edu/mhealthy/programs/tobacco/> or call (734) 998-6222 or email [quitsmoking@med.umich.edu](mailto:quitsmoking@med.umich.edu)

### Brochures, Fact Sheets

- Michigan Medicine: **Vascular Surgery Care Guides from Your Clinician Page**

<http://careguides.med.umich.edu/vascular-surgery>

Many Michigan Medicine Vascular Surgery documents. Look under the **Venous Disease** heading.

- RadiologyInfo.org for Patients:

- **Phlebectomy of Varicose Veins**

<https://www.radiologyinfo.org/en/info/phlebectomy>
