

PERMANENT DESIGNATED FLOAT ELECTION FORM

(For Use With RNs Hired Before June 24, 2013)

As an employee hired prior to June 24, 2013, I understand that I am not obligated to designate another unit to float to in times of low census. I am also aware that there are opportunities to float on a day-to-day or 4-week basis that may be discontinued at my election. I elect, however, to become a permanent designated float pursuant to Paragraph 182B of the 2018 University of Michigan and Michigan Nurses Association/ UMPNC Collective Bargaining Agreement. I understand that this election is permanent and irrevocable once made.
