

Article XLII: Tuition Support Program
Tuition Reimbursement Process for NON U of M Class
(DRAFT 1 – February 12, 2008)

Start with Tuition for ALL hours registered and registration fee if applicable	Nurse Kate registered for 12 NON U of M credits, and there was not a registration fee	\$4252.50
Subtract grants, scholarships (Note: Nobody can receive more than the total amount of the paid tuition and fees)	Kate did not get any grants or scholarships	\$4252.50 <u> - 0</u> \$4252.50
There is not a credit calculation for Non U of M		
Multiply by .75 (needed in each case to make determination based on 477b)	Para 477b) limits the reimbursement to 75% of the cost of in-state tuition or \$1280, whichever is <u>less</u>	\$4252.50 <u> x.75</u> \$3189.38 <i>In this case the \$1280 is less</i>
Multiply by appointment fraction to get the amount Kate will receive as Tuition Reimbursement	Kate's appointment is .9	\$1280 <u> .9</u> \$1152.00
