

Mott Toy Store 2023

Wish List

Thank you for your interest in donating to C.S. Mott Children's Hospital in support of our annual Mott Toy Store event. The Mott Toy Store offers families admitted on the date of the event the opportunity to choose gifts for all the children in their family. This wonderful event impacts countless patients and families. The Mott Toy Store helps us normalize the hospital experience, create special holiday memories, and support our patients and families who are in the hospital over the holidays.

To maintain a safe environment for our patients and families, all donations must follow the guidelines below.

All donations must be brand new, odor-free, unwrapped, and in original packaging.

- For durability and safety purposes, name brand items (Crayola, LEGO, Barbie, etc.) are preferred.

We cannot accept the following:

- Popular collector items that have been gathered and stored over a significant period of time
- Handmade items (i.e., afghans/crocheted blankets, knit beanies/hats, hand sewn stuffed animals)
- Used or gently used items
- Items containing latex
- Violent themed items (i.e. items containing guns, swords, blood, etc.) including Nerf guns
- Religious themed items or messages
- Greeting cards and holiday cards
- Remote-controlled or radio-controlled toys
- Medical supplies or equipment
- Food, candy, beverages, etc.

Other considerations:

- Grouping like items in your donation is helpful! For example, all action figures together, all teen items together, etc.
- Due to hospital policies, donors are not able to directly distribute donations to patients and families. Our staff will ensure the items are used to support our patients and families during our Mott Toy Store event and beyond.

See the following pages to learn what to donate and the needed items this year!

The following items are most helpful to our patients and families and most needed for 2023!

Monetary donations may be directed to the Child & Family Life department for the purchasing of toys and our Mott Toy Store event.

How to drop off your items for donation:

The 2023 deadline for donation drop off for Mott Toy Store is Tuesday, December 12th.

You can bring your donation into the hospital anytime 24/7 and leave them in the blue cart next to our welcome desk. Please make sure to leave your information so we can send a thank you.

If your donation is large, we can work together to schedule a curbside drop-off where one of our staff can meet you to accept your donation **Monday - Friday, 9 a.m. - 4 p.m. by appointment.** Please contact our In-Kind donations staff to schedule your large donation drop off:

mottcommunityrelations@med.umich.edu

THANK YOU!
